APRIL TABLE

The April Table is made to order and custom built by hand in Melbourne. We use sustainably grown Eco Pine from New Zealand

A nod to our love of all things Nordic, this robust dining table provides a generous setting for large gatherings of friends and family. It features soft rounded edges, wide panel boards and a low level crossbar for foot support and structure, providing a comfortable and inviting atmosphere for dining and socialising.

EVE BAR TABLE

One of our first original table designs - simply because pieces like this are so hard to find. We created a bar table that can also be converted into a kitchen island with a storage platform underneath for all your tableware, pots and pans. Eve became our bestselling piece for indoor and outdoor use.

BELLA BREAKFAST BAR

The Bella Breakfast Bar comes standard on castors and can be made from 90cm to 350cm length. Minimum width is 48cm, upwards to 114cm.

ALBERT BAR STOOL

The House of Orange elegant yet robust Stools are made to order. Interior or exterior finishes are available.

MYLES BENCH

Create a flexible dining space and always have room for one more at the table with the Myles bench seat.

Designed to comfortably sit two people, mix and match multiple benches side by side, or place in and amongst your dining chairs for a relaxed, loose vibe.

Placed in the hallway, it becomes a welcome seat to take off your shoes as you walk in the door. Cover it with cushions to create a cosy reading nook in a corner or under a window, or simply add a functional, finishing touch at the end of your bed to catch extra cushions and throws at the end of the day.

LEVI CAFE STOOL

The House of Orange elegant yet robust Stools. Like all Made-to-order, this stool can be finished in any of our six signature colours, and made suitable as exterior furniture. Option to have 20mm or 40mm sides.

Levi Cafe Stool / Deep Domino

MIKA KITCHEN UNIT

The Mika Kitchen Unit is fully customisable to meet your requirements. Made from sustainably grown Eco Pine, clear grade from New Zealand. This unit is made to last.

TODDLER BLOCK

Our original, made in Melbourne bunk bed has been an unrivalled House of Orange fan-favourite for over twelve years. For good reason. It's a bedroom experience like no other.

Our designs and materials are all about lifespan and sustainability, to get the best use out of your furniture over time.

At very minimal costs we make it possible for you to convert any of our beds into different configurations.

As well as standardised dimensions for our beds, we can also custom make to suit your space and if one of our 6 signature palette colours appeals, we can send you out a swatch before you decide or you can choose your own custom colour.

NINA LOFT BED

Available in single, king single, double and queen size, your loft bed will be custom built for you, right here in Australia. We can adapt the design to perfectly suit your room configuration, maximise your space and ensure you have all your creature comforts right there where you need them.

The addition of our clip on August Bedside Shelf gives you the extra space you need for a lamp, candle, speaker or drink. Another possible addition is a recessed 'book nook' shelf with our without a LED reading light with built-in USB charger.

Please note: when adding the additional 300mm in height to the under loft bed space, we do recommend only adding this option if the height of your ceiling is over 2.7 meters.

ALFIE BED

Our Alfie bed offers adaptability and timeless quiet design to meet your needs in a single standard through to queen or king option.

This bed can be converted to our Frankie bunk down the track or vice versa - our Frankie bunks can be converted into two single Alfie beds. It can also be made as a daybed.

SOPHIA FOUR POSTER BED

Our four-poster bed has minimalist lines, modern appeal and serious WOW factor. How it's styled it up to you – you can soften it with drapes or keep it pared back and simple to let the structure do the talking.

Sophia Poster Bed / New Dutch Blonde

ZARI BED HEAD

We've created a new headboard that encompasses the beautiful and the basic with enough room on the top for books or a light and built in bedsides.
