Celebrating "Ferragosto" - Summer in Italy

La Latteria Mascarpone (250g)

Made from only two ingredients, whole cream and citric or tartaric acid (to thicken the cream). The less ingredients the better.

Gorgonzola Dolce (190g)

The taste ranges from mild to sharp, depending on age. Gorgonzola is also excellent in salads and dips.

Gorgonzola Piccante (200g)

The flavour is sharp and sweet. Pair Gorgonzola Piccante with a sweet Italian dessert wine.

Royal Line Balsamic Vinegar of Modena 250ml or 500ml

This vinegar is aged in various kinds of wooden barrels – oak, chestnut, mulberry, cherry, ash and juniper, each one lending a unique aroma and affecting the colour.

Gorgonzola Dolce 1/4 (1.5kg)

The greenish-blue penicillin mould imparts a sharp, spicy flavour and provides an excellent contrast to the rich, creamy cheese.

Gorgonzola Piccante 1/4 (1.5kg)

This cheese is rough, reddish rind protects a tender, light yellow, blue-flecked paste that is firm, moist, and buttery.

Mulino Bianco Pavesini (150g)

Mulino Bianco Pan Di Stelle (150g)

Delicious chocolate and hazelnut biscuits with white chocolate stars.
