

Cahill's Cheddar with Irish Whiskey

Award winning Cahill's Whiskey is a hallmark in Cahill's production. This yellow waxed gourmet cheese truckle is hand made using Kilbeggan Irish Whiskey, then matured into a tantalisingly delicious aperitif. This is a traditional Irish monastic cheese

reputedly brought by the Irish monks to Scotland. It is a simple vintage Cheddar entwined with Kilbeggan Irish Whiskey to give a fabulous savory combination.

It was originally created for festive occasions such as Harvest or Christmas, but today it can be enjoyed all year round.

Cahill's Cheddar Porters Stout

Wonderful artisan cheese, made by hand using traditional production methods handed down through four generations.

Cahill's Porter is the original and definitive Irish Porter Cheese.

Each brown waxed truckle is individually handcrafted with Irish porter.

This cheese is perfect as an hors d'oeuvre when sliced and served with a tossed salad. It is equally as good when served as a centre piece on an after dinner cheese board.

Red Dragon - Mustard Seed and Ale

Red Dragon is a Cheddar cheese from Wales blended with brown ale and mustard seeds.

Red Dragon is moist yet firm. It is made from pasteurised cows milk and vegetarian rennet and is aged for 3 months. It is made in waxed wheels of 2.25kg. The mustard seeds add both to the texture and the taste of the cheese. The taste has been described as buttery

and spicy, but not too spicy.

Serve Red Dragon with dark ale or try a strong red wine. It is an excellent table cheese that melts well on a sandwich.

Long Clawson Thomas Hoe Aged Leicestershire Red

Long Clawson Aged Leicestershire Red is traditionally made in the heart of the Vale of Belvoir, UK.

Matured to approximately 6 months, Clawson Aged Leicestershire Red has a flaky open texture and a lemony, slightly sweet nutty caramelised flavour reminiscent of the varieties produced in the county from where it originated centuries ago.

Popular in Victorian times, this classic English Cheese is cloth bound during maturation to aid the development of the rust red coat, making the cheese truly authentic.
