

If You Ordered a Raw Brass Fixture

All raw brass will age/darken over time. If you wish to keep your fixture “like new” you can clean it periodically with Brasso. When installing your fixture, **WE DO RECOMMEND WEARING GLOVES**. The raw brass will tarnish if it comes in contact with the oils on your skin.

Cord and Plug - Installation Instructions

	<p>Mount the backplate to the wall using the provided self anchoring screws. Be mindful of the side screw positioning when mounting.</p>
	<p>Place the lamp canopy over the mounting plate and line up the side screw holes. Starting at the top of the canopy partially screw in the brass screws.</p>
	<p>Turn the screws until they are flush with the side of the canopy.</p>
