

**If You Ordered a Raw Brass Fixture**

All raw brass will age/darken over time. If you wish to keep your fixture “like new” you can clean it periodically with Brasso. When installing the globes, **WE DO RECOMMEND WEARING GLOVES**. The raw brass will tarnish if it comes in contact with the oils on your skin.

**Neckless Globe Installation Instructions**

	Slip the globe over the bulb and then under one of the arms of the spring.
	Slip a second spring inside the globe.
	Slip the globe opening toward the third spring arm and push the spring arm inside the globe.
	Finally slip the opening of the globe under the brass cover.
