

New Maker Checklist

Welcome to MyIntent! You're a force for good and joining a community of fellow Makers catalyzing meaningful conversations and positive action.

How are you going to use your Maker Kit to be of service to others? There are hundreds of ways to help others connect with their WORD. It starts with purpose, not perfection and an open your heart - we encourage you to be creative and perhaps step outside of your comfort zone to initiate deeper conversations and help others activate their WORD.

Thank you for investing in yourself and for serving others to become their best self.
