

## **#23-1783 Gemoro® “Sparkle Spa Pearl” Mini Ultrasonic Cleaning Machine**

#23-1783-6 carton of 6

#23-1783-12 for 12 piece price

A truly attractive, mini, home-use ultrasonic cleaner that has a modern, high-tech design and is full-featured, powerful and durable.

### **Features:**

- ✓ 600ml (1pint) capacity.
- ✓ LED illuminated stainless steel tank.
- ✓ Transducer powered, 35 watts of cleaning power - 110 volt.
- ✓ 42,000 KHz (sound waves per second) output.
- ✓ **NEW** 3 programmable cleaning cycles, 3, 5 & 10 minutes.
- ✓ **NEW** Designer pearl white finish.
- ✓ **NEW** Includes a removable basket and bracelet / watch holder
- ✓ Measures 14 x 12.5 x 20cm.
- ✓ Supplied in colorful retail packaging.
- ✓ 1 year limited warranty

Purchase individually or for best price purchase by the dozen.

## **#23-1791 Gemoro® Sparkle Spa PRO™**

Prestige series, personal ultrasonic jewellery cleaner.

A true ultrasonic that provides professional grade results for home use.

### **Features:**

- ✓ Capacity 750ml (approx. 1.5 pints).
- ✓ Colourful packaging, ready for retail.
- ✓ Elegant, slate grey, contoured design with chrome accents.
- ✓ Auto opening transparent evaporation-free lid.
- ✓ Bright blue LED illuminated stainless steel tank (750ml capacity).
- ✓ Removable cleaning basket and bracelet holder.
- ✓ 42,000 KHz transducer, 110V.
- ✓ Digital count-down timer with auto shut-off has
- ✓ 5 pre-set cleaning cycles (90, 180, 280, 380, 480 seconds).
- ✓ One year limited replacement warranty.

# Ultrasonic Cleaning Machines

## **#23-1785 1.2 Quart Ultrasonic Cleaning Machine**

The GemOro ultrasonic cleaning machine features 5 preset, digital operating cycles, for enhanced cleaning efficiency.

### **Features:**

- 110 volts AC - Peak output 60 watts.
- Digital control & LED display.
- High performance transducer.
- Capacity 1.2 quarts (1400 ml).
- Stainless steel tank 6.5"L x 5.25"W x 2.5"D.
- Casings constructed of rugged ABS.
- Supplied with lid which features a see-through panel.
- Supplied with basket.
- 1 year limited warranty.

Note: This machine was conceived for light duty work

## **#23-1787 2.6 Quart Heated Ultrasonic Cleaning Machine**

European designed, all black ultrasonic is constructed of durable ABS. With its extra capacity of 2.6 quarts it is perfect for most retail jewelers. This machine was conceived for light duty work

### **Features:**

Advanced digital control system

- Digital heater control
- Digital timer control
- Stainless steel 2.6 quart tank
- Dura-last transducer
- Tank dimensions L10.40" x W6.46" x D3.15"
- Removable, stainless steel basket.
- Evaporation resistant, tight-close lid.
- 110 volt AC.
- 1 year limited warranty.

## **#23-1732 GemOro 2QTH Next-Gen Ultrasonic Cleaning Machine**

Featuring two intense cleaning powers at the flip of a switch. Turbo Sweep Technology™ for the toughest jobs and Power Sweep Technology™ for more delicate jewelry.

### **2QTH NEXT-GEN ULTRASONIC AMAZING FEATURES:**

- ✓ Capacity: 2 Quart / 0.5 Gallon (1.90 litre).
- ✓ Tank dimensions: 5½" x 5" x 4"•
- ✓ Watts: 50
- ✓ 0-60 minute timer.
- ✓ Dura-Heat Long-life built-in heater.
- ✓ Adjustable thermostat temperature control.
- ✓ GemOro super high-performance industrial strength transducers.
- ✓ Dual power modes – Power Sweep™ and Turbo Sweep™ technologies.
- ✓ Heavy-duty brushed stainless steel outer cabinet.
- ✓ Chemical resistant Rocker Shield switch guard boot cover.
- ✓ Auto load self-tuning. - Auto degassing.
- ✓ Removable stainless steel cover for evaporation control.
- ✓ External fuse for easy access.
- ✓ Smart Service □ All plug & play electronics for fast repairs.
- ✓ Rubber feet for secure placement.
- ✓ Thermostatically controlled heater, timer, stainless steel cover, basket and stainless locking tweezers included.
- ✓ Warranty: 2.5 years on the complete unit and 10 years on the transducer.

# Ultrasonic Cleaning Machines

## L&R Ultrasonic Cleaning Systems

L&R Quantrex series of ultrasonic cleaning systems have a proven track record for reliability and durability. L&R machines feature all metal housings and stainless steel tanks and are supplied with a tank cover. All machines feature a 30 minute/hold timer, which allow you to preset cleaning duration or set for continuous run. All units over 2 liter capacity feature a drain tube for easier solution changes. All machines (except PC3) have a built-in heater, with a separate on/off switch. This allows the user to decide if the function is activated or not, depending on need. L&R stands behind the superiority of the performance and durability of their products with their unprecedented 30 - 60 - 120 warranty.

**30 Month** warranty on the entire unit for defects in materials and workmanship.

**60 Months** warranty on the housings

**120 Months** warranty on the, tank to transducer bonding.

**Designed and built for the discerning professional**

**L&R USA stainless steel mesh baskets for Ultrasonic**  
**#LR-13329 to fit PC3 (LR-1172)**

**#LR-11086 to fit Q90H (LR-606)**

**#LR-11088 to fit Q140H (LR-610)**

**#LR-10140 to fit Q210H (LR-617)**

**#LR-13518 to fit Q310 (LR-725)**

**#23-Q90BE Cleaning Basket**

Economical stainless steel mesh basket for ultrasonic cleaning machine. A perfect fit for the L&R model Q90H ultrasonic machine.

Basket measures 5½" x 4¾" x 2¾"

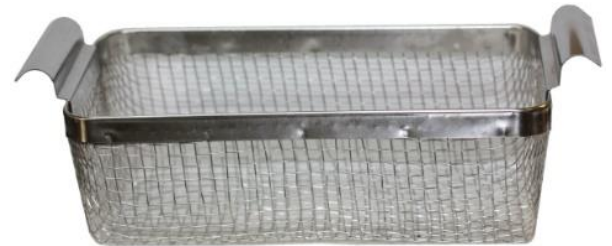

**#23-1076 Stainless fine mesh basket**  
for ultrasonic 6" x 5" x 2 ½" (fits Q90H)

**#23-Q140BE Cleaning Basket**

Economical stainless steel Mesh basket for ultrasonic cleaning machine. A perfect fit for the L&R model Q140H ultrasonic machine.

Basket measures 9" x 4¾" x 2¾"

**#23-592 Stainless basket**  
for ultrasonic  
4 ¾" long x 4 ½" wide x 2 ¾" deep

**#23-0591 Clam Shell Hand Basket with Plastic Handle**

Holds small parts during cleaning. Reverse spring action plastic handles prevent accidental loss of contents. Measures 6" x 1 3/4" (150 mm x 45 mm).

**#23-620 Clam shell Hand Basket**

Holds small parts during cleaning. Reverse spring action ensures baskets stay closed during handling. Provides added security when cleaning small items or fine chains etc. Measures 6" x 2" x 2" mesh diameter of 1-1/2"

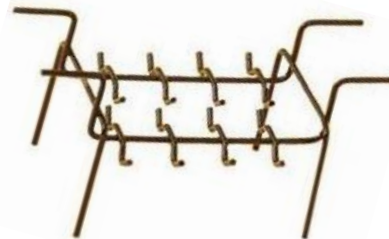

**#23-621 Clam Shell Hand Basket**

Holds small parts during cleaning. Reverse spring action handles prevent accidental loss of contents. Measures 6" x 2" x 2" mesh diameter of 2 1/8"

**#23-624 Cleaning Rack** 7" long plastic coated rack will fit 1, 2, and 3 quart ultrasonic cleaners. 16 ring holders. 4" height. 7" overall length. 4-1/2" width. Basket floor measures 4" long x 4-1/2" wide.

**#23-625 Cleaning Rack** 8-1/4" long plastic coated rack will fit 1, 2, and 3 quart ultrasonic cleaners. 16 ring holders. 1" height. 8-1/4" overall length. 5-1/8" width. Basket floor measures 5-1/2" long x 3-1/2" wide.

**#23-15100 Stainless Steel Ultrasonic Rack**

Holds up to 16 individual rings. This rack will not rust or contaminate the solution. It can be used for electroplating or electro-stripping. Made by Pepetools USA

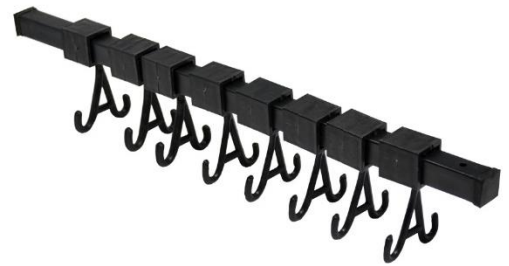

**#23-627 Cleaning Rack** 8" long plastic coated racks will fit 1, 2, and 3 quart ultrasonic cleaners. 32 ring holders. 4" height. 8" overall length. 4-1/2" width. Basket floor measures 4" long x 4-1/2" wide.

**#23-630 Ultrasonic Hook and Bar Rack** 14 3/4" plastic coated, rust-resistant hook and bar racks increase ultrasonic cleaning efficiency and will not mar objects. Has 24 hooks

**#23-631 Ultrasonic Hook and Bar Rack** 12" plastic coated, rust-resistant hook and bar racks increase ultrasonic cleaning efficiency and will not mar objects. Has 16 hooks

**#23-632 Extra hooks** Available in a package of 5. Replacement hooks for 23-630 and 23-631

**#23-6300 Simple 8 Hook Ultrasonic Rack**  
Overall length 7" fits 6 3/8" space

**#23-070010 Nylon Ultrasonic Basket**  
simply cannot scratch precious jewelry!  
Made of 100% plastic with fine nylon mesh.  
Dimensions: 4" x 2-3/4" x 2".  
Handle length: 6-1/4".  
Total length: 11-3/4".

Two 1-1/4" tabs to fit onto the edge of virtually any ultrasonic unit.  
You can even put several across larger units.  
Baskets nest for compact storage or use the hole in the handle for hanging when not in use.

**#23-0500 Economy Screw type Basket for Ultrasonic**  
diameter 16 mm x height 16.7 mm

**#23-0501 Economy Screw type Basket for Ultrasonic**  
diameter 24 mm x height 23.4 mm

**#64-4734 Bergeon Screw type Basket for Ultrasonic**  
diameter 16 mm

**#64-4735 Bergeon Screw type Basket for Ultrasonic**  
diameter 23 mm

**#16-051 Bench Duster**

Four rows of soft black bristles set in a wood handle.  
Suitable for sweeping filings and general purpose work.  
Overall length: 9-1/2", Brush Length: 4", Brush Height: 1-3/8"

**#16-0562 Wood Handle Washout Brush**

Multi-purpose cleaning and dusting brush has 4 rows of medium-hard bristles 4" in length. Overall length 8 3/4 ".

**#16-060 Dusting Brush** Soft camel hair in wood handle, removes dust from delicate surfaces. Overall length 4 1/4".

**#16-080 Twisted Wire Brush**, Tapered, dia. 1/2 " to 1/4 " Designed for tube and handpiece cleaning. Overall length 8 5/8". Extra stiff horsehair bristle is 3" long

**#16-081 Twisted Wire Brush**, Straight, dia. 1/2 " Designed for tube and handpiece cleaning. Overall length 8 5/8". Extra stiff horsehair bristle is 3" long

**#16-086 Wood handle washout brush** Four rows of stiff natural bristles 3 1/2 " long, 3/4 " wide Overall length 8 1/4 ".

**#16-087 Wood handle washout brush** Four rows of stiff bristles 2 1/8" long, 5/8" wide Overall length 8 1/4 ".

**#16-088 Small Wood Handle Washout Brush** For cleaning inside confined areas. Three rows of extra stiff bristles are 1 7/8" long, 3/8" high. Overall length 6".

**#16-095 Plastic Handle Washout Brush** 4 rows of natural bristle. Bristle measure 3" long and 1/2 " wide. Overall length: 7 1/2 "

**#16-098 Plastic Handle Washout Brush** 4 rows of nylon bristle. Bristle measure 3" long and 1/2 " wide. Overall length: 7 1/2 "

**#16-099 Washout Brush** Washout brush with angled Lucite handle. Ideal for manual cleaning of watch cases, bracelets and jewellery items. Safe for use in most jewellery, watch and clock cleaning solutions. Brush has four rows of nylon bristles. Bristle area is 1 3/4" x 1/2". Overall length 6 3/4"

**#16-110 Wood handle washout brush - Hard** For cleaning and dusting clocks, instruments and parts. **Hard** bristles (for extra heavy grit) measure 4 1/2 " long, 5/8" deep. Overall length 10 1/4 ".

**#16-111 Wood handle washout brush – ½ hard**

For cleaning and dusting clocks, instruments and parts. ½ **hard** bristles (for general cleaning) measure 4 ½ " long, 5/8" deep. Overall length 10 ¼ ".

**#16-112 Wood handle washout brush - ½ soft**

For cleaning and dusting clocks, instruments and parts. ½ **soft** bristles (for more delicate parts) measure 4 ½ " long, 5/8" deep. Overall length 10 ¼ ".

**#16-113 Wood handle washout brush - Soft**

For cleaning and dusting clocks, instruments and parts. **Soft** bristles (for removing dust) measure 4 ½ " long, 5/8" deep. Overall length 10 ¼ ".

**Cleaning Swabs** These swabs are acid and solvent resistant. Ideal for tough scrubbing around raised shapes. Length is 70mm to 75 mm (images enlarged to show tip detail)

**#64-7007-01**

**#64-7007-02**

**#64-7007-03**

**#64-7007-06**

**#64-7007-07**

**#64-7007-S Assortment of Swabs for Cleaning**

Contains: 20 pieces each of 7007-01, 7007-03, 7007-04, 7007-05, 7007-06, 7007-07 and 7007-15

**#17-094 Chamois Hand Buff**

For cleaning, polishing and finishing metals and stones. Strips of chamois glued to wood sticks. 11" long x 7/8" wide – sold individually

**#17-100 Felt Hand Buff**

For cleaning, polishing and finishing metals and stones. Made of hard felt, mounted on wood handle. 11" long x 7/8" wide – sold individually

**#64-1282A Bergeon Leather Hand Buff**

For cleaning, polishing and finishing metals and stones. Made of leather, mounted on wood handle. 8 1/2 "" long x 1/2 " (12mm) wide – sold individually

**#17-101 Small Heavy Weight Pairs of Inspection Gloves**

**#17-102 Heavy Weight Pairs of Inspection Gloves**

**#17-103 Light Weight Pairs of Inspection Gloves**

Protect jewelry, silverware, etc., from fingerprints, spotting, and tarnishing. One size fits most hands, with the lighter version slightly smaller than the heavier version. Sold by the dozen.

**#17-106 Medium Latex Gloves Bx/100**

**#17-107 Large Latex Gloves Bx/100**

Protect your fingers and hands when polishing, finishing, or using solutions. Medium size will fit either hand. Sold by box of 100.

**WARNING:** DO NOT USE if you are NRL-latex sensitive.

**#17-112 Large Pairs of Premium Inspection Gloves**

High quality gloves, perfect for use in jewelry stores and manufacturing facilities. Excellent for protecting jewelry and silverware from fingerprints, spotting and tarnishing. High quality cotton and spandex blend provide the perfect fit. Long lasting. Sold by the dozen. Each pair is individually packaged.

**#23-225 Small Rubber Finger Cots**

**#23-226 Medium Rubber Finger Cots**

Made of soft molded red rubber to provide comfortable protection from oil, dirt and grime  
Package of 12

**#23-227 Large Rubber Finger Cots**

**#23-228 Extra Large Rubber Finger Cots**

Made of soft molded red rubber to provide comfortable protection from oil, dirt and grime  
Package of 12

**#67-26231M Medium Finger Cot**

**#67-26231L Large Finger Cot**

**#67-26231XL Extra Large Finger Cot**

Horotec Rolled Antistatic Latex Finger Cot

Pink without Talc

bag of 100 Pieces

**WARNING:** DO NOT USE if you are NRL-latex sensitive.

**#64-6886-AS-M Bergeon Medium Rubber Thimbles**

**#64-6886-AS-L Bergeon Large Rubber Thimbles**

**#64-6886-AS-XL Bergeon Extra Large Rubber Thimbles**

For watchmaking, electronic, chemical industries, etc.

Thickness: 0.09 ±0.03 mmln

pack of 1440 pieces

**#17-075 Blue Lintless Polishing Cloth**

The Grobet lintless cloth is made from an untreated microfiber that will not snag or shred. The texture and softness of the light blue colored cloth is perfect for cleaning precious stones and diamonds.

Measures 9" x 10"

**#67-26114 Horotec Cloth, 30 x 30 cm**

White, lint free Cali microfiber polishing cloth

**#17-076 Fabulustre Polishing Cloth**

Keep hands clean when polishing with rouge!  
Double cloth – inner cloth impregnated with jeweler's rouge and the outer cloth is a final polish cloth.  
Individually packed in plastic pouches.

Measures 9" x 11"

**#67-26109 Horotec Cloth, 15 x 15 cm**

Real Chamois Skin

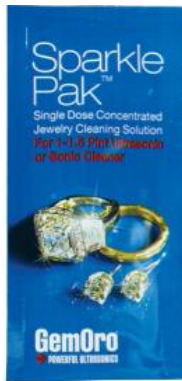

# Cleaning Solutions

## **#23-0937 Sparkle Pak™ Concentrate Jewellery Cleaning Solution**

Single dose, concentrated, jewellery cleaning solution packets. Designed for use in ultrasonic or sonic cleaning machines with 1 to 1 ½ pint capacity. This is perfect for home use machines. No measuring – no mixing – no mess – no waste! Each Sparkle Pak™ contains the precise amount of cleaning solution. Simply empty contents into a full tank of regular tap water, the result is a cleaning solution that leaves Jewellery and gems sparkling like new. Non-ammoniated – non-toxic – non-flammable.

Supplied as a box of 10 packets.

## **#23-01856-1 Connoisseurs Delicate sonic cleaner concentrate**

For pearls and other semi-precious stones and light soil.

8 oz. jar makes 1/2 gallon of solution.

Sold individually

## **#22-668 "Magic Lustre" Super Concentrated Ultrasonic Cleaning Solution**

One gallon, super concentrate, makes 40 gallons of cleaning solution. Ideal for heavy, continuous ultrasonic use. Biodegradable, non-ammoniated, Eats rouge and Tripoli!

## **"Magic Green" Granulated Ultrasonic Cleaning Concentrate**

One ounce of "Magic Green" concentrated granules is mixed with one gallon of water to make a fast-acting solution. Biodegradable and non-ammoniated. Attacks and removes dirt, rouge and Tripoli instantly.

Dry granule format saves on shipping costs...Why pay to ship heavy fluids.

**#22-608** 8 oz. jar – makes 8 gallons.

**#22-616** 16 oz. jar – makes 16 gallons.

**#22-655** 32 oz. jar – makes 32 gallons.

(Can be mixed to higher concentrations (up-to 3 times) for more aggressive cleaning)

## **#23-2050 Vigor Ultrasonic Cleaning Solution Concentrate 32 oz**

Formulated to meet OSHA requirements. Non-ionic, multi-purpose solution is safe for all ultrasonic cleaning needs. Contains no acids.

When mixed with water, makes up to 10.25 gallons of solution.

## **#64-6707-1 Bergeon Ultrasonic cleaning concentrate 1 Litre**

Specially made for cleaning jewellery, pearls, soft and hard stones, and metal bracelets.

Gives a new shine. 1 litre solution to 20 litres water.

## Polychem Solutions

### #LR-005 Ultra CR Concentrate Jewellery Cleaner

A biodegradable, non-ammoniated, non-hazardous solution. This concentrate jewellery cleaner is mixed 1 part solution to 1 parts water. Efficiently cleans with a minimum of time in the ultrasonic machine. Rinses clean without a cling chemical odor. Supplied in 1 gallon jugs.

### #LR-002 Polytect- 2CB

A ready to use, mildly alkaline, anti-tarnish treatment and corrosion inhibiting rinse for brass, copper and bronze parts. Keeps clock plates brighter for longer. Supplied in 1 gallon jugs.

### #LR-007 Deox-007 Concentrate Clock Cleaner

A biodegradable blend of detergents and mild alkali in a water base. Not only cleans, but brightens the surfaces Brass, copper and bronzes. Performs well in ultrasonic machines as well when used for manual cleaning. Mix 1 part Deox-007 to 4 parts water. Use distilled water to rinse.

## Zenith Solutions

### Rinsing Solutions (solvent based)

#### #23-0224 Ultrasonic Rinsing Fluid 224

Ultrasonic rinse 224 has more solvency and penetrating power than ordinary rinses. As an added plus it is rated odourless. It is compatible with all Zenith solvent-based cleaners. Leaves parts sparkling clean. (Put in jar #2 & 3.) 1 gallon jugs.

#### #23-0235 Instrument Rinsing Solution 235

This product is formulated specifically for clocks and aviation instruments rinsing cycle. It is safe and environmentally friendly. As an added feature it's odourless. (Put in jars #2 & 3.) 1 gallon jugs.

### Jewellery Cleaners (water based)

#### #23-0249NA Jewellery Cleaner Non-Ammoniated 249NA

Jewellery Cleaner NA is non-ammoniated with excellent cleaning power. Ideal for cleaning jewellery with precious, or semi-precious stones. Rated environmentally friendly and safe to use because it does not emit any harmful fumes. Can be used in ultrasonic or mechanical cleaning machines or for simple manual cleaning. One gallon makes 8 gallons. Rinse with water and dry. 1 gallon jugs.

# Speed Brite Ionic Cleaners

Cleaning and polishing in one easy step. The IONIC system uses polishing agents and gentle soap cleansers to remove tarnish and dirt with a safe bubbling action. These bubbles are formed by the carefully controlled electrical current that passes through the metals, reducing the surface tension of dirt and floating it away –instantly. Restores metal luster and stone brilliance.  
Ionic cleaning is effective for most metals except brass and copper.

## #23-650 Round Counter Model "Speed Brite" Ionic Cleaner

7" diameter tank with a 12 oz. capacity, lid, stainless ring bar and screen. Supplied with 16 oz. bottle of Gemsparkle® concentrate solution. Bottle features an easy measurement chamber. (110-volt).  
Now with "TURBO" agitation.

## #23-653 Rectangular Shop Model "Speed Brite" Ionic Cleaner

9" x 5" tank with 36 oz. capacity, lid, stainless ring bar, and screen. Supplied with 32 oz. bottle of Gemsparkle® concentrate solution. Bottle features an easy measurement chamber. (110-volt).  
Now with "TURBO" agitation.

## #23-656 Speed Brite Ionic Cleaner Adapter

Attaches to any standard ultrasonic cleaning machine. Combines all the features of ultrasonic cleaning with the special cleaning properties of ionic cleaners. This unit attaches to the side of your existing ultrasonic cleaning machine with a built-in clamp and instantly converts your ultrasonic machine into an ionic cleaner. This allows you to use your ultrasonic or the ionic cleaner separately or in combination together. Supplied with 32 oz. bottle of Gemsparkle® concentrate solution. Bottle features an easy measurement chamber. (110-volt) (Ultrasonic cleaning machine sold separately).

## Gemsparkle® Concentrate Jewellery Cleaning Solution

Concentrated, odorless and environmentally safe. This cleaning solution is an effective, fast-acting degreaser that also removes oxidization and brightens metal to a like-new finish. Ideally suited for use with ionic cleaning as well as traditional ultrasonic machines.  
Mix 6 oz. Gemsparkle to 1 gallon of water.

- #23-660 ..... 16 oz.
- #23-661 ..... 32 oz.
- #23-662 ..... 1 gallon

# Picklers, Pickle and Baskets

## #45-058400 PICKLE POT 16 oz

You can pay a lot more and never come close to the quality of this pickle pot. Stainless steel with a stoneware bowl. Sure, they call it a crock-pot but it's the best and most economical pickle pot available. Capacity is 16 oz.

## #45-306 Electric Pickler, 12 oz

Automatically keeps solution at the right temperature and prevents it from boiling away. Plastic basket is included with each unit for holding articles in solution.

## #45-315 Basket for 12oz Pickler

Replacement basket for Ferris 12 oz. electric picklers  
Fits 45-306 pickler (shown above)

## #45-312 Basket for 1 1/2 Quart Pickler

Outside diameter 5 7/8" Depth 3 1/2"

## #45-100 Pro-Craft® Pre-Po Pickle

Pre-cleans before soldering; pickles after heating and soldering, to remove oxides. Works well even at room temperature. When solution is exhausted it turns from pink to amber to alert you. Biodegradable and mixes with water to make solution. Makes one quart of solution.

## #45-122 Pro-Craft® Pickle, 10 oz

Standard sodium bisulfate compound is mixed with warm water to make economical solution. Works best at 125 F (52 C). 10 oz. makes one quart.

## #45-124 Pro-Craft Pickle, 2.5 Lb/Gallon

Standard sodium bisulfate compound is mixed with warm water to make economical solution. Works best at 125° F (52° C). 2-1/2 lb. can makes one gallon.

**#45-127 Sparex Pickle, 2-1/2 lb. Bag**

**#45-128 Sparex Pickle, 10 oz. Bag**

Dry granular acid compound specially made for pickling and the cleaning and removing of surface oxidation and scale from copper and silver. Non-flammable and non-explosive.

**#45-135 Griffith Pickle Safe, 10 oz.**

A dry, granular acid compound used to pickle gold, silver, and other non-ferrous metal castings.

**#45-136 Griffith Pickle Safe, 2.5 lb.**

A dry, granular acid compound used to pickle gold, silver, and other non-ferrous metal castings.

**#64-6033-1 Cleaning Product Rodico - pkg of 1 pc**

**#64-6033-30 Cleaning Product Rodico – box of 30 pcs**

For cleaning balance pivots, train wheel pivots, removing finger prints and stains from plates, bridges, dials, hands; removing excess oil from watch jewels and taking out broken pivots from the jewels.

**#64-7033-1 Cleaning Product Rodico - pkg of 1 pc**

**#64-7033-30 Cleaning Product Rodico - box of 30 pcs**

New cleaning product whose composition has been approved by the most important and famous watch brands. This product can easily be adopted by all new technologies that require a high complexity and high tech materials (silicium, carbon, diamond, etc.). Thanks to its elaborated consistence and its high absorption power, all fingerprints, spots and other sediments will be removed without any risk for the cleaned pieces.

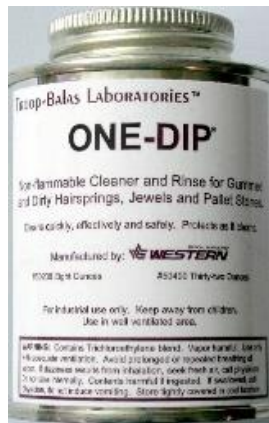

### **Troop Balas "ONE-DIP" Hairspring Cleaner**

Original formulation hairspring cleaner. A non-flammable cleaner and rinse for gummed and dirty hairsprings, jewels & pallet stones etc.

#42-0504.....8 oz.

#42-0505.....32 oz.

### **#47-005/1 Clean & Care for Leather**

Clean & care cleans, waterproofs and protects leather from within. Its special ingredients work deep down to keep the leather soft and protect it from damp and dirt. Clean & Care keeps the leather pores free and in so doing ensures the leather can breathe. This particularly important, as sweat builds up under the strap while it is being worn.

### **#47-001 Polywatch Scratch Remover – single tube**

### **#47-002 Polywatch Scratch Remover – case of 24 tubes**

Polishing Paste for Plastic Watch Crystals 5 gr. Tube.

The No. 1 Repair Polish for Acrylic Watch Crystals.

Acknowledged globally for reliability. TUV certified for proven effectiveness.

Plastic Deformation Technology. Superior professional results.

Easy and quick application

Saves expensive repairs. Provides value retention.

### **#47-3106 Original Crystal-Kleer Polishing Rouge**

The perfect compound for buffing out imperfections in clear plastic. Supplied in a 1 lb. bar.

### **#DO-500-790 Novus #1 Plastic Clean & Shine 8oz**

Gently cleans all plastics without scratching.

Leaves a lustrous shine that resists fogging.

Repels dust and eliminates static.

Protects against smudges and scratching.

### **#67-26499 Polywatch Mineral Glass Polish – Kit**

Removes fine, light, and medium deep scratches from glass watch crystals.

Achieve professional results with high-tech Diamond Polishing Technology

Simple 2 Component System:

Step 1 - the High-Tech Diamond "Repair-Polish" removes the scratches

Step 2 - the Diamond "Finishing-Polish" polishes on high gloss

Suitable for all glass qualities. Easy and effective application.

Eliminates expensive repairs. Conserves value.

Versatile use: watches, smartphones, windows, and other glass items

All Inclusive Kit: 1 Repair dispenser (0.5gr tube),

1 finishing dispenser (0.5gr tube), 1 polishing rod, and 2 x 6 polishing strips

### **#72-810 Clock Curator**

Removes all dirt, grime, wax, grease, etc. and restores the original beauty of wood. This product contains no solvents and is safe to use on French polish, varnish or plastic finishes. This is an ideal cleaner for slate clocks!  
Directions: Apply sparingly with a soft, dry cloth, working on a small area at a time. (Use cotton buds or Q-tips (TM) for difficult corners.) Polish with a clean soft cloth to give a beautiful finish.

### **#45-91101 Jax Rust Remover 2 oz**

A rust remover and an effective pre-paint primer for iron and steel.

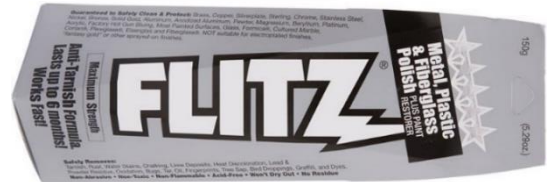

### **#47-457 Flitz Polish/Cleaner 50gm single tube**

See description below

### **#47-458 Flitz Polish/Cleaner 150gm single tube**

See description below

### **#47-459 Flitz Polish/Cleaner 906gm industrial can**

Flitz cleans, polishes and protects. Acid-free, non-toxic, non-abrasive paste rubs on and wipes off. Protects up to 6 months. Concentrated so a little goes a long way. Use on gold, silver, brass, platinum, chrome, copper and marble. Safe for heavy plated work.

### **#47-4100 Simichrome Polish 50gr tube**

Simichrome polish has a unique, finely mixed formula that produces a rich, brilliant shine on any uncoated, non-ferrous, metal surface. In addition to restoring the original luster, Simichrome also leaves a thin, invisible protective film which lasts much longer than other brands of polish.

**If it's metal, or even if it's plastic, you can shine it beautifully with Simichrome**

Formulated in Germany to polish these materials...

Chrome – Aluminum - Magnesium

Stainless Steel – Brass - Silver

Gold – Copper – Pewter - Plexiglas®

**#66-185751 Polinum Polishing Compound for Platinum**

Superior compound for the final polishing of platinum, white gold, yellow gold, pink gold, and high-quality stainless steel. Swiss made. 0.125 kg. bar, 4 inches long, orange. Boxed.

**Menzerna Polishing Compounds**

Specially formulated in Europe for Rolex's® exacting standards. These compounds are efficient, fast acting and leave minimal residue. Menzerna compounds use a higher grade of raw materials along with a higher concentration of active ingredients. These polishing compounds work wonders on harder metals such as cobalt, titanium, and stainless steel. These are the compounds used by Rolex® technicians during traveling chronometer symposiums. Made in Germany.

**#47-38000 Menzerna Fine**

Polishing Compound, yellow colour, 500gm

**#47-38005 Menzerna Medium**

Polishing Compound, white colour, 250gm

**#47-38010 Menzerna Coarse**

Polishing Compound, grey colour, 500gm

**#47-38015 Menzerna Final**

Polishing Compound, pink colour, 1000gm

**#45-91401 Jax Instant Silver Clean - 2oz**

**#45-914 Jax Instant Silver Clean - Pint**

A heavy-duty cleaner that removes tarnish and oxidation from the blackest silver.

**#45-91501 Jax® Instant Brass and Copper Cleaner - 2 oz**

**#45-915 Jax® Instant Brass and Copper Cleaner - Pint**

A heavy-duty cleaner that removes tarnish and oxidation from the blackest copper, brass and bronze.

## #24-200CS Pronto 200CS, Portable Steam Cleaning System

The powerful and portable Pronto 200CS sanitizes surfaces and eliminates germs, bacteria moulds and viruses!
