

KidsRock Summer Heat Safety Guidelines

With hot summer temperatures upon us, we'd like to remind you of the extra precautions we take to make sure our campers stay cool, safe and well hydrated.

Safety measures include:

80 Degrees Code Green

Beware of campers play, encourage water breaks

85 - 90 Degrees Code Yellow

Mandatory 5 min Water Breaks at the beginning of your first elective and end of every elective after. Limit to 35 min sessions outside at a time.

90 - 95 Degrees Code Red

All Outside Activities are canceled with the exception of 20 - 35 min water play
Mandatory 5 min Water Breaks at the beginning of your first elective and end of every elective after.

95 Degrees & above Code Red Extreme

All Outside Activities are canceled with the exception of 20 - 35 min water play.

Mandatory 5 min Water Breaks at the beginning of your first activity and end of every activity after.

Additionally KidsRock Summer Camp Staff will remind campers to reapply sunscreen.
