Colour Streams

Underwater Magic Textile Collage

September 24, 9am - 4.30pm

Macleay Island, QLD

As part of the TIDE: Redlands Coast Islands' Festival, spend a day on Macleay Island creating a Textile Collage that reflects the beauty and diversity of the underwater world surrounding our beautiful islands using variegated textiles, threads and ribbons hand-dyed at Macleay Island's Colour Streams. We'll also be using a range of other materials including wool tops, beads, fruit nets, Tyvek and sweet wrappers. Your only limitation will be your imagination as you use a range of techniques including simple stitching, embroidery, burning and beading! This class is suitable for anyone over the age of 8 and all levels of experience.

Your inspiration will be our beautiful Moreton Bay Marine Park. To further inspire you, the workshop will be held at a spectacular coastal setting looking over Moreton Bay.

You will be learning from **Christine Noske**, an expert embroiderer and textile artist. She will inspire you to be playful with the array of material she has selected for you.

This event is a full day which allows you to fully immerse yourself in your creative process.

When: 24 September 2022

Where: Paloma, 53 Attunga Street, Macleay Island

Time: 9am - 4.30pm

Cost: \$ 195 per person including all materials, morning and afternoon tea, and lunch including vegetarian options
