Embroidery Play - Design a Bag

September 28, 9am - 12pm

Macleay Island, QLD

As part of the TIDE: Redlands Coast Islands' Festival, you might like to join us at this half-day class where you will learn how to create your own fun bag design. If you've ever wanted to try embroidery or even reintroduce yourself to it, then this is a great class to join! The class is suitable for anyone over the age of 8 and you will be learning to transfer the designs onto your bag and then embroider them in several simple but beautiful stitches!

The Design a Bag Workshop is being held at Colour Streams' Studio and uses their fabulous hand-dyed variegated threads.

Christine Noske (owner of Colour Streams and embroiderer) and Michaela Olsen (textile designer, artist and teacher of art and design) will share everything you need to know to get you started.

Each participant receives a Delilah - Design your Own Bag Embroidery Kit (valued at \$30). Each kit contains assorted patterns, threads, scissors, tracing pen, needles, embroidery hoop and instructions.
