DESCRIPTION

These restored Italian vintage armchairs are a beautiful addition to any home. The armchairs are re-upholstered in a luxurious grey velvet, providing both comfort and elegance. They are adorned with nail head trims, adding a touch of sophistication to the design. The sculpted geometric backrest is a standout feature, with original red lacquered details on the inside that offer a pop of colour and visual interest.

Made of solid dark-tinted wood, they date back to the 1960s and have been carefully restored to their former glory. They can also be sold individually or as a set with the accompanied table in picture.
