

The Schedule

TUE 10/13		KEYNOTE 7pm-8pm
WED 10/14	11am-12:30pm	Feeding Essentials, <i>0-3 Oral Sensory Norms</i> • Lori Overland – MS CCC-SLP, C/NDT, CLC, FOM
	1pm-2:30pm	Feeding Essentials, <i>Swallowing Development</i> • Colette Ellis – M.ED., CCC-SLP, BCS-S
WED 10/15	3pm-4:30pm	Feeding Essentials, <i>Structural Development</i> • Robyn Merkel Walsh – MA, CCC-SLP, COM®
	5pm-6pm	Opening Night Virtual Networking • Share Your Favorite Mocktails/Cocktails
THURSDAY 10/15	10am-11am	Virtual Yoga Live • BareSOUL Yoga
	11:30am-1:30pm	A Sensory Motor Approach to Poor Diet Texture Progression Oral-Motor & Sensory Techniques • Debra Beckman – MS, CCC-SLP
	2pm-4pm	Continuum of Sensitive Options for New Food Trying: Grade The Ask Oral-Motor & Sensory Techniques • Marsha Dunn Klein -- OTR/L, MED, FAOTA
	4:30pm-6:30pm	A Wake Up Call: What Every Medical Specialist Should Know About Sleep-Disordered Breathing From the Perspective of Orofacial Myofunctional Therapy Add-On Pack: Airway • Nicole Goldfarb -- M.A., CCC-SLP, COM®
FRIDAY 10/16	9am-9:30am	Virtual Coffee Chat with Featured Speakers
	10am-11:30pm	Assessing Feeding Dynamics in the Context of Avoidant Eating The Picky Eater and Beyond • Jo Cormack – MA, (MBACP, reg.)
	12pm-1pm	Clogged, Cramped, Confined, & Closed Add-On Pack: Airway • Ken Hooks – RRT, RPSGT
	1:30pm-3:30pm	Trends that Hinder Normal Feeding Development: Helping Babies Learn to Eat Early Developmental Feeding • Nina Ayd Johanson – MA, MS, CCC-SLP, CLC
	4pm-5:30pm	Feeding as a Foundation for Speech Clarity in Early Intervention Population The Picky Eater and Beyond • Vanessa Anderson – MA, CCC-SLP, COM®
SAT. 10/17	11pm-1pm	Choosing Choice for Improved Feeding Outcomes Integrated Feeding Approaches • Jenny McGlothlin – MS, CCC-SLP, CLC
	1:15pm-3:15pm	Long-Term Nutrition Issues Associated with the Picky Eater: Speech, Behavior, GI, & More... The Picky Eater and Beyond • Brittny Coleman -- MS, RDN/LD, CLT
	3:30pm-4:30pm	Mobile Dentistry: Dental Health in Pediatric, Special Needs and Geriatric Populations Add-On Packs: Trends in Dentistry • Sonya Dunbar – RDH, MHA
MONDAY 10/19	8:30am-9am	Virtual Coffee Chat with Featured Speakers
	9am-10:30am	Breastfeeding infants with medical and/or developmental conditions Early Developmental Feeding • Stacey Zimmels – Bsc (Hons) MRSCSLT, MHCPC, MASLTP, IBCLC
	11am-12:30pm	Learning to Eat: How Baby-led Weaning Can Help Early Developmental Feeding • Gill Rapley – PhD, MSc, RN/RM/RHV
	1pm-2pm	AMA (Ask me Anything) about Feeding • TBA
	2:30pm-4pm	Thinking Outside the Fridge: Supporting Families in Early Intervention Integrated Feeding Approaches • April Anderson – MA, CCC-SLP, CLC
	4:15pm-5:45pm	A Responsive Framework for Understanding and Approaching Feeding Challenges Integrated Feeding Approaches • Katja Rowell – MD
	6pm-7pm	Dysphagia? Persistent Cough? The solution may be simpler than you think! Managing Dysphagia • Tim King – BTh. Adv. Dip. App. Sci. Myotherapy

TUESDAY 10/20	8:30am-10am	Sensory Overload to Sensory Friendly: 8 Strategies for Successful Feeding Oral-Motor & Sensory Techniques • Monica Purdy – MA, CCC-SLP
	10:30am-12:30pm	The Deglutition Project • Managing Dysphagia • Ianessa Humbert, PhD, CCC-SLP TBA
	1pm-2pm	<i>Family Meal Prep</i> – Live Cooking Demo • Christine Wasleben BS/Culinary Arts
	2:30pm-3:30pm	Guiding Movement, Rhythms, and Synchronized Body Systems for Feeding Success Oral-Motor & Sensory Techniques • Amanda Chastain – MA, CCC, SLP-COM®
	4pm-5pm	May The Force Be With You • Oral-Motor & Sensory Techniques Tania Stegen-Hanson – OTD, OTR/L, BCP, C/NDT, CEIM
	5:30pm-6:30pm	Traditional and Progressive Early Dental Assessment Of Oral Health in 0-3 Population: How it Affects Dental Development Add-On Pack: Oral Health • Chris Zombek – BSDH, COM® & Misty Bridges – RDH, BS, COM®
WEDNESDAY 10/21	8am-9:30am	Let's Start from the Beginning: Taking a Look at All Aspects of Self-Limiting Feeding Oral-Motor & Sensory Techniques • Renee Roy Hill – MS, CCC-SLP, COM®
	10am-11am	Open Wide and Look Inside: Oral Pathologies and Anomalies in Infants and Toddlers Add-On Pack: Oral Health • Sherri Lukes – RDH, MS, FAADH
	12pm-1pm	The Mitochondria and Feeding - What You Must Know Integrated Feeding Approaches • Pejman Katiraei – DO
	1:30pm-2:30pm	Why Education is Not Enough - Moving from Information to Motivation Add-On Packs: Trends in Dentistry • Matthew Allen, – DDS
	3pm-4:30pm	Airway and Swallowing Considerations when Eating and Drinking Go "Off Track" Add-On Pack: Airway • Soroush Zaghi – MD; Sanda Valcu-Pinkerton – RDHAP, AS, COM®; Diane Bahr – MS, CCC-SLP, CIMI
	5pm-6:30pm	Psycho-Social Dynamic of Lip and Tongue Tie: From Infants to Pre-Adolescents Add-On Packs: TOTS • Robert Levine – DDS
THURSDAY 10/22	8:30am-10am	Chicken or Egg? The Vicious Cycles Perpetuating Poor Feeding in the Underweight Breastfed Infant Early Developmental Feeding • Christina Smillie – MD, FAAP, IBCLC, FABM
	10:30am-11:30am	A Parent's Place at the Table: Including Families in Feeding Therapy Integrated Feeding Approaches • Karen Differ – OTR/L
	12pm-1pm	Pediatricians & Picky Eaters: Five Strategies for Better Collaboration The Picky Eater and Beyond • Nimali Fernando – MD & Melanie Potock – MA, CCC-SLP
	1:30pm-3:30pm	Healthy Collaboration: An Integrated Approach to Dysfunction and Team Approach to Wellness • Integrated Feeding Approaches • Stephanie Kestel Karpovs – MCD, CCC-SLP & Anatole Karpovs – MD, FAAP, CCMS
	4pm-6pm	The Food We Breathe • Managing Dysphagia Jennifer Meyer – MA CCC-SLP & Rick Rembecki – MD, PhD Friday, October
FRIDAY 10/23	9am-9:30am	Conference Participant Awards
	10am-11:30am	Tethered Oral Tissues and Beyond Add-On Packs: TOTS • Ed Kusek – DDS, MALD, MAGF, DABOI, FAAID
	12:30pm-2:30pm	Assessing Breastfeeding Infants Early Developmental Feeding • Cathy Watson Genna – BS, IBCLC
	3pm-4:30pm	Picky Eating in the Down Syndrome Population The Picky Eater and Beyond • Heather Vukelich -- MS CCC-SLP

The Tracks

SESSIONS LISTED BY TRACK

Early Developmental Feeding	10/16 1:30pm-3:30pm	Trends that Hinder Normal Feeding Development: Helping Babies Learn to Eat Nina Ayd Johanson -- MA, MS, CCCSLP, CLC
	10/19 9am-10:30am	Breastfeeding Infants with Medical and/or Developmental Conditions Stacey Zimmels -- Bsc (Hons) MRSCSLT, MHPCP, MASLTIP, IBCLC
	10/19 11am-12:30pm	Learning to Eat: How Baby-led Weaning Can Help Gill Rapley -- PhD, MSc, RN/RM/RHV
	10/22 8:30am-10am	Chicken or Egg? The Vicious Cycles Perpetuating Poor Feeding in the Underweight Breastfed Infant • Christina Smillie -- MD, FAAP, IBCLC, FABM
	10/23 12:30pm-2:30pm	Assessing Breastfeeding Infants Cathy Watson Genna -- BS, IBCLC
Oral-Motor and Sensory Techniques	10/15 11:30am-1:30pm	A Sensory Motor Approach to Poor Diet Texture Progression Debra Beckman -- MS, CCC-SLP
	10/15 2pm-4pm	Continuum of Sensitive Options for New Food Trying: Grade The Ask Marsha Dunn Klein -- OTR/L, MED, FAOTA
	10/20 8:30am-10am	Sensory Overload to Sensory Friendly: 8 Strategies for Successful Feeding Monica Purdy -- MA, CCC-SLP
	10/20 2:30pm-3:30pm	Guiding Movement, Rhythms, and Synchronized Body Systems for Feeding Success Amanda Chastain, MA -- CCC, SLP, COM®
	10/20 4pm-5pm	May The Force Be With You Tania Stegen-Hanson -- OTD, OTR/L, BCP, C/NDT, CEIM
10/21 8am-9:30am	Let's Start from the Beginning: Taking a Look at All Aspects of Self-Limiting Feeding Renee Roy Hill -- MS, CCC-SLP, COM®	
The Picky Eater and Beyond	10/16 10:30am-11:30am	Assessing Feeding Dynamics in the Context of Avoidant Eating Jo Cormack -- MA, (MBACP, reg.)
	10/16 4pm-5:30pm	Feeding as a Foundation for Speech Clarity in Early Intervention Populations Vanessa Anderson Smith -- MA, CCC-SLP, COM®
	10/17 1:15pm-3:15pm	Long-Term Nutrition Issues Associated with the Picky Eater: Speech, Behavior, GI, and More... • Brittyn Coleman -- MS, RDN/LD, CLT
	10/22 12pm-1pm	Pediatricians & Picky Eaters: Five Strategies for Better Collaboration Nimali Fernando -- MD & Melanie Potock -- MA, CCC-SLP
	10/23 3pm-4:30pm	Picky Eating in the Down Syndrome Population Heather Vukelich -- MS, CCC-SLP

Managing Dysphagia	10/19 6pm-7pm	Dysphagia? Persistent Cough? The solution may be simpler than you think! Tim King -- BTh. Adv. Dip. App. Sci. Myotherapy
	10/20 10:30am-12:30pm	The Deglutition Project Ianessa Humbert -- PhD, CCC-SLP
	10/22 4pm-6pm	The Food We Breathe Jennifer Meyer -- MA CCC-SLP & Rick Rembecki -- MD, PhD
Integrated Feeding Approaches	10/17 11am-1pm	Choosing Choice for Improved Feeding Outcomes Jenny McGlothlin -- MS, CCC-SLP, CLC
	10/19 2:30pm-4pm	Thinking Outside the Fridge: Supporting Families in Early Intervention April Anderson -- MA, CCC-SLP, CLC
	10/19 4:15pm-5:45pm	A Responsive Framework for Understanding and Approaching Feeding Challenges Katja Rowell -- MD
