

*“When you are fundraising you are putting yourself out there, asking people for money but this product felt much easier to approach people with - you didn’t need to feel apologetic because of the environmental aspect – it feels good.” Susan Smith, Wellington Dive Club*

**Its profitable:** Earn 40% on eco-friendly products. Take advantage of **free** shipping on all fundraiser products. **New** products are introduced regularly.

**It's good for the Environment:** Quality eco-friendly products make a welcome change from some of the usual fundraisers such as chocolates. Most are made right here in New Zealand by The Rubbish Whisperer, New Zealand’s Most Sustainable Small Business! \*

**Did you know...** New Zealanders send 808,000 disposable coffee cups a day to landfill a day. A pack of 5 reusable produce bags can save over 2500 plastic bags in their lifetime. Each reusable sandwich wrap can save up to 60 metres of cling film every year. Plastic straws are one of the top 10 items of rubbish found on beaches around the world.

The Rubbish Whisperer does not use plastic packaging.
