

FORTY

A special 40th Anniversary BINGO game!

The guidelines:

The items below correspond with the numbers on the cards. Mark your squares so that we can still see the number underneath (i.e. don't black it out completely). Some of these items may not be announced or available yet. Stay tuned as we make more products, events, and items available!

Completing a line of 5 (horizontal, vertical, or diagonal) wins you a small prize. Fill your whole card to be entered in a drawing to win a grand prize! The grand prize winner will be drawn mid-June.

Some of these are on the honor system, and some are verifiable. Please be fair. 😊

Only one FORTY card per person. Turn completed cards in to the store in person (WITH YOUR NAME, PHONE NUMBER, AND EMAIL on the back), or email a scan/photo BEFORE June 15, 2024. Only one small prize per person.
