

Inclinations KAL

When: February 10 – March 10

Where: in person at the store

Pattern: Inclinations Shawl by Andrea Mowry (which we can purchase for you)

Yarn: We have miles of worsted weight yarn, but Wendy has discovered that Berroco Tiramisu is a perfect yarn for this pattern. You will need 8 balls in 8 different colors, or you can use some colors more than once. The options are many. In Andrea Mowry's words, "This shawl is all about texture, squish and the movement of color. Watching the colors move and change was mesmerizing, and I finished the shawl long before I was ready to, because I just could not set it down!"

Details: Sign up with one of our employees in the store or by calling. Shipping yarn and participating from afar is also an option! Our website is up and running for in stock items, and Tiramisu has just been restocked. Inclinations KAL is free to participate in, but as with all classes, KALs, and CALs, you must purchase yarn for the KAL to participate.

Meetings: We will meet every other week in person for Wendy to help you with any questions or problems you may be having and to knit together! Every shawl will be different...even if two people use the same colors. It's going to be lovely! The meetings are all Thursday nights from 4p-6p:
February 10 – cast on party
February 24
March 10

We will also post any tips we come across in our Facebook Group "Threadbender Yarn Shop – Alongs". And we encourage everyone to share pictures and questions.
