

BREATHE CLEAN HEALTHY AIR!

TESTIMONIALS

Excellent, especially since my husband has a basement office that in spite of mold remediation is still problematic. He wears the air purifier in his office, and he says it's a life saver and makes a huge difference for him! Thank you for this product!!!! - Valerie L.

Life Saver. This Mini Air Purifier seems to be a life saver now... Thanks! - E. Cousar

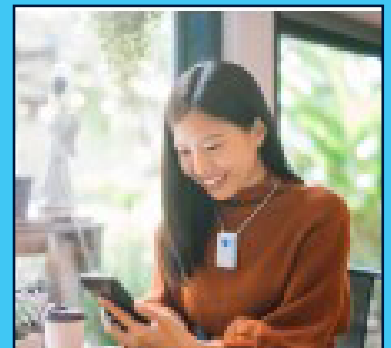

Excellent, I actually bought this for traveling on planes but I thought I might try and use it in the hair salon. It works wonders for keeping smells and odors away. - Karen

Gary Null's Rechargeable Personal Air Purifier

Take Clean Fresh Air With You Wherever You Go!

It's finally here! The new **Gary Null Rechargeable Personal Air Purifier**. 28 hours of run time per charge, this ultralight weight, wearable air purifier creates cleaner fresh air in your breathing space.
