

## Find Your Right Eagle Eyes ClipOns in 3 Easy Steps:

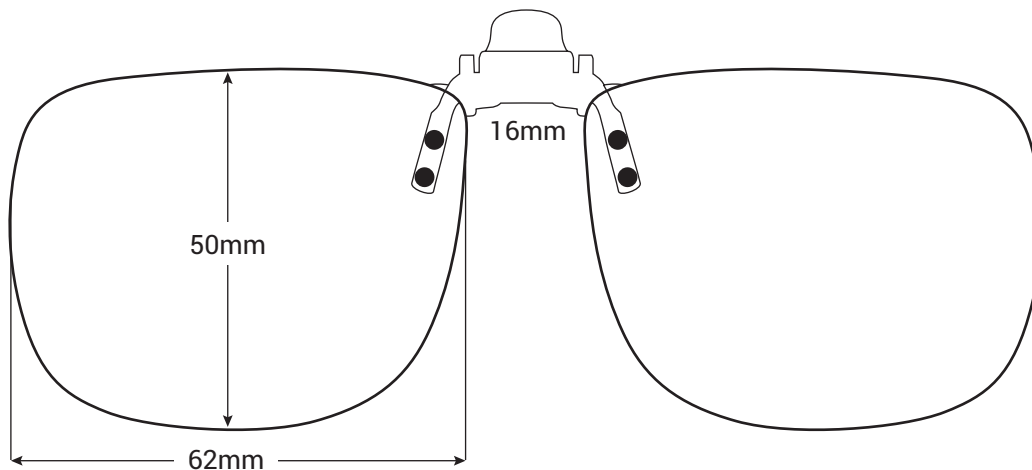

- ① Print this page at 100% resolution before using.  
(Choose printing fit option "Actual Size" to ensure accurate measurement)
- ② Place a penny or a nickel over the image below to ensure that the print out is the proper size.

- ③ Place your glasses over the images below to find a match of the proper ClipOn shape and size.  
In case you cannot decide between 2 sizes, choose the larger size.
