- 39 About Us

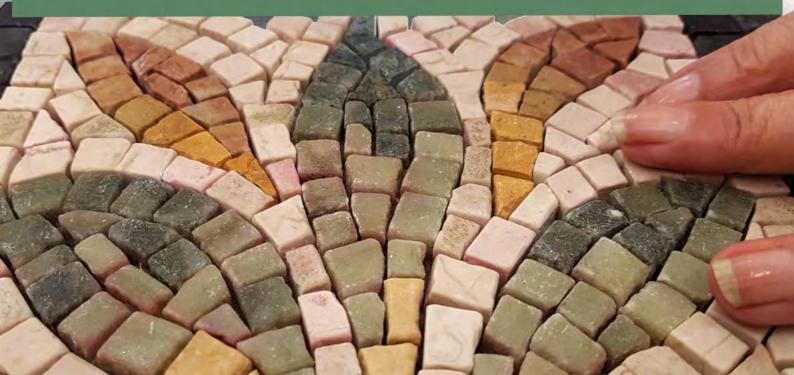

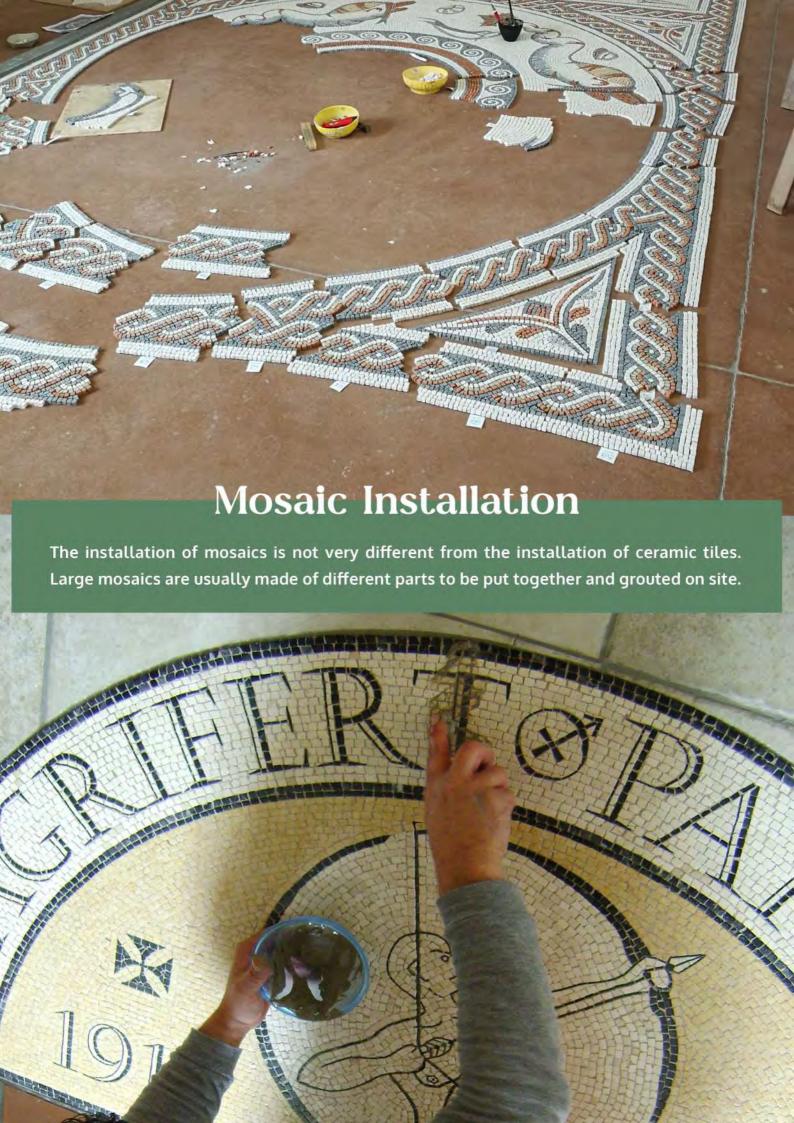

From large floors to small murals, we can meet any design, material, and technical requirement for the creation of our mosaics.

- Material options: marble, ceramic, stained glass, gold, semiprecious stones, and precious stones.
- Tiles cutting options: machine cut, combined machine and hand cut, or fullyhandcut.
- Extra effects: worn out corners, polishing, defects, patina, and breaks.
- Tiling methods: regular and irregular.
- Backing: fiber glass mat, flexible resin, concrete, and aluminium honeycomb panel.

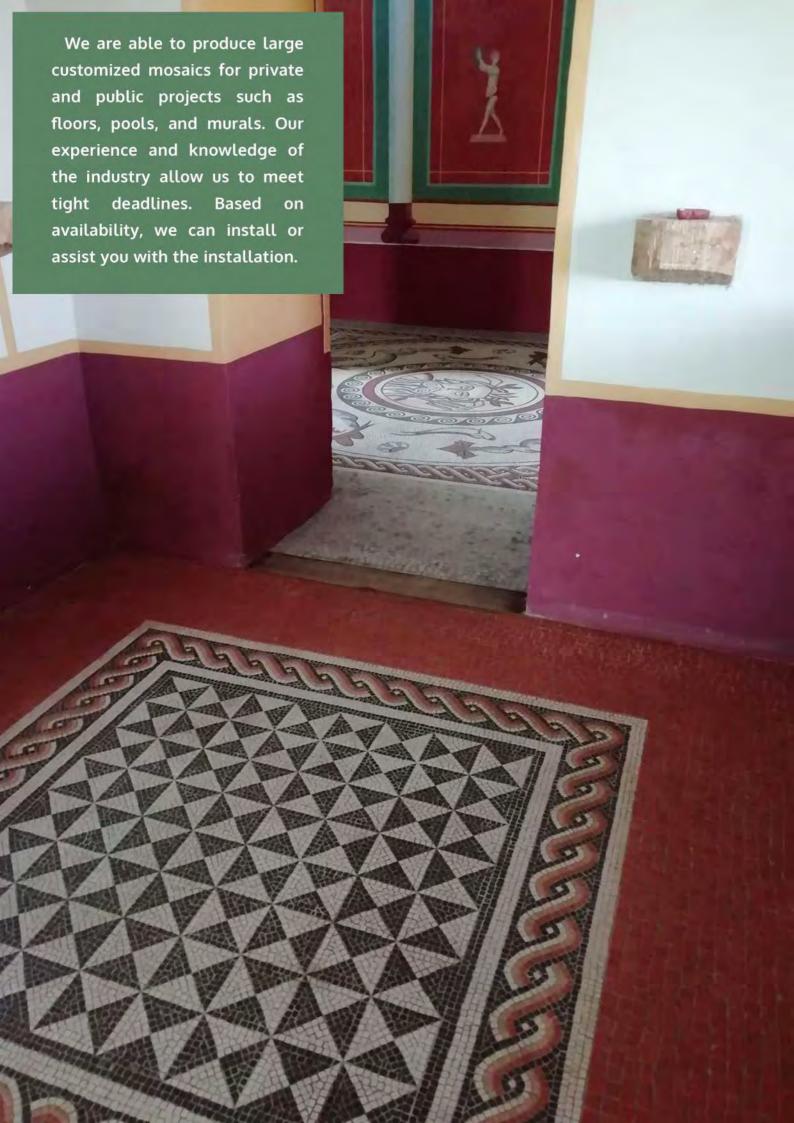

Outdoors & Indoors

Marble mosaics can be installed outdoors and indoors. Common areas for outdoor mosaics are near fountains, public squares, resting areas, and terraces. Indoor mosaics are very commonly seen in indoor swimming pools, spas, bathrooms, entrances, and living rooms.

Product List

Our standard range of mosaics consists of designs made of tiles cut with a machine or tweezers, polished corners, and concrete backing ready to hang or install. Most of our standard models have a short turn - around time.
