

POINT TWO SERVICE FORM – JANUARY 2024v2

We recommend you have your vest serviced yearly, after six inflations, after a particularly heavy fall or submerged in water or if you notice any damage to the vest.

We aim to turn the vests around within 48 hours of receipt (excluding bank holidays)

The Service includes:

- Lanyard checked for wear & tear – we recommend replacing your lanyard every 2-3 years depending on amount of use it gets.
- New airbag fitted regardless of current bag condition
- Trigger system is cleaned and tested.
- Shell cleaned and inspected for wear.

Please ensure you return your lanyard with your airvest for servicing and for Hygiene purposes please brush off all loose mud and excess hair before sending. Remove the Co2 canisters from the vest before posting and keep safe for the return of your vest.

Post to: Point Two Air Vests Ltd
Beckley Stud Reeds Lane Southwater West Sussex RH13 9DQ
