

# POINT TWO EQUINE - SERVICE FORM – May 2024

We recommend you have your vest serviced yearly, after six inflations, after a particularly heavy fall or submerged in water or if you notice any damage to the vest.

We aim to turn the vests around within 48 hours of receipt (excluding bank holidays)

The Service includes:

- Lanyard checked for wear & tear – we recommend replacing your lanyard every 2-3 years depending on amount of use it gets.
- New airbag fitted regardless of current bag condition
- Trigger system is cleaned and tested.
- Shell cleaned and inspected for wear.

Please ensure you return your lanyard with your Air vest - For our hygiene purposes please brush off all loose mud and excess hair before sending.  
DO NOT SEND YOUR VEST WITH THE CANISTER INSERTED – REMOVE AND KEEP SAFE AT HOME
