

POINT TWO UPGRADE FORM - 2024

As you are already a valued customer, we would like to extend a discount & upgrade to one of our newest air vests. Simply post back any old airvest & lanyard and receive 50% discount off the full RRP on a brand-new vest. (Sale or refurbished vests not included in this offer) available vests to choose from are: - **ProAir - Hunter and Softshell.**

The newest features of our airbag trigger system include:

- Simplified canister connecting system. A bayonet style connector makes it easier and faster to change your canister and reduces the risk of improper installation.
- Simplified way to secure the trigger system end cap. This comes with an allen key that is stored right on the trigger system to help tighten it.
- Vests now have a foam pad behind the trigger for an even, comfortable fit.
- Adjustable straps on both sides of the buckles for a more customizable fit. (ProAir only)
- New pleated neck for better inflation action. (ProAir & Hunter only) with new neoprene collar for additional comfort. (ProAir & Hunter only)
- 20% faster inflation rate - Point Two Air Vests now inflate between 60 and 80 milliseconds. Faster inflation means faster protection from impact.
- Lifetime warranty on the airbag component & trigger system (subject to annual service)
- Each new air vest comes complete with a saddle attachment & bungee lanyard & 1 x Co2 canister
- Meets all high-level safety standards. (EN 13158: 2009 and SATRA M38)

Now simply complete your details below print the form and return it with your old Air Vest & lanyard to:
