How to Get Your Banners

Step 1: Log into your account

Here you will see the Home screen and welcome message from Puppy Culture.

Step 2: Scroll down to the Quick Navigation bar on the Home screen.

Here you will see icons for **My Profile**, **Reports**, **Campaigns**, **Banners & Links**, and **DirectLink URLs**. Click on **Banners & Links**.

Step 3: A new page labeled Banners & Links will appear. Scroll down until you see the filter section.

Here is where you can filter through banners. Simply click in the check box for whichever filter you want, then scroll down and click on the **Apply** button.

Step 4: Banners will then appear below the filter section.

Scroll through the banners and find which one you want on your webite.

Step 5: Click on "Get Banner Code" below the banner you have selected.

Copy the code that appears and paste it to your website's coding.

Welcome to the Puppy Culture Partner Program

This is the **Home page** and is the first screen you will be greeted with whenever you log into your control panel. Here you fi loons that allow you to navigate quickly from one page to another.

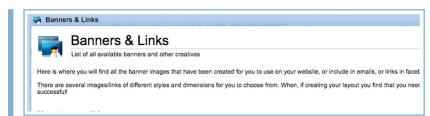

To navigate around the control panel, head on up to the Start button in the top left corner. Here you will find all of the naviga

The Getting Started button will give you highlights on how to get things up and running simple and fast. We realize that navigation to your campaigns, banners and other tools to help you get get started.
