Because keeping you safe is our top priority... Please take a moment to read through the following care and use instructions for your new knee pads.

1. The NoCry knee pads
   - Made of durable polyester fabric with reliable slip buckles.

2. Cleaning your knee pads
   - Clean only by using a brush or a washcloth with neutral detergent. Never machine wash.

3. Storing your knee pads
   - Avoid storing in direct sunlight or at high temperatures.

4. Putting on your knee pads
   - Wear slip buckles on the outer side; the pads should reach above bent knee level.

5. Securing your knee pads
   - If the knee pads keep sliding off, try crisscrossing the straps.

6. Designed for domestic use
   - The knee pads are not appropriate for pointed or rough surfaces.

7. Carefully assess your working environment
   - The knee pads are not fire, water or chemical proof. Make sure that they are the most suitable means of protection from potential threats in your working environment.

8. Contact us
   - Feel free to contact us. We’re always here to help.
