Because keeping you safe is our top priority... Please take a moment to read through the following care and use instructions for your new knee pads.

1. **The NoCry knee pads**
   - Made of waterproof EVA foam cushion with Velcro straps.

2. **Cleaning your knee pads**
   - Clean only by using a brush or a washcloth with neutral detergent. Never machine wash.

3. **Storing your knee pads**
   - Avoid storing under direct sunlight or at high temperatures.

4. **Putting on your knee pads**
   - The knee pads should reach above bent knee level. Avoid fastening the straps too tightly.

5. **The knee pads are made for domestic use**
   - The knee pads are not appropriate for pointed and rough surfaces. For tougher protection visit nocry.com

6. **Carefully assess your working environment**
   - The knee pads are waterproof, but not fire or chemical proof. Make sure that they are the most suitable means of protection from potential threats in your working environment.

7. **Contact us**
   - Feel free to contact us. We're always here to help.
