

## ADVANCED WORKGROUP COLOR DOCUMENT SYSTEM

## A full-color ledger-size document system that will meet virtually all of your business needs.

Boost workgroup efficiency and productivity with Sharp's new MX-2615N/MX-3115N full color MULTI-FUNCTION DOCUMENT SYSTEMS, designed to deliver amazing image quality and consistent day-to-day performance while also being easy to afford. Features include STANDARD PCL® 6 compatible printing language, a HIGH RESOLUTION TOUCH-SCREEN color display with graphical user navigation for easy operation, and a TOTAL PAPER CAPACITY UP TO 3,100 SHEETS. Equipped with a powerful TRUE MULTI-TASKING controller that allows quick processing of even complex print jobs, the MX-2615N/MX-3115N produces HIGH-QUALITY, vibrant color documents in-house, helping you save time and money. Sharp's advanced device management tools make it simple for businesses to control system access, color usage and costs. To make integration with network applications easier than ever, the MX-2615N/MX-3115N supports the SHARP OSA® DEVELOPMENT PLATFORM. Sharp's industry-leading security helps assure the confidentiality of your intellectual property. That's the SHARP DIFFERENCE.

## Advanced features plus multi-function capabilities allow you to meet tomorrow's document needs today.

- Powerful true, 600 MHz multi-tasking full color document system
- High-resolution 7" (diagonal) touch-screen color display with graphical navigation
- Standard PCL®6 compatible printing system with available PostScript®3 and XPS options\*
- **600 x 600 dpi** printing provides clear, crisp image output
- Advanced ImageSEND™ function scans documents to USB devices, network folders, E-mail and more
- ImageSEND function scans documents at up to
   50 images per minute in both black and color

- Convenient Document Filing System with thumbnail view and image preview features
- Available 500 + 2,000 sheet tandem paper drawer, for an online capacity of 3,100 sheets
- Supports the Sharp OSA development platform, enabling businesses to streamline document workflow and help enhance productivity with speed and efficiency\*
- Flexible paper handling system feeds up to 110 lb. index through paper trays and up to 140 lb. index through the bypass tray
- Optional pull-out QWERTY keyboard for enhanced ease-of-use

- Super G3 fax option with intelligent inbound routing
- Supports Sharp's award-winning security platform with standard 256-bit data encryption and up to 7 times data overwrite protection
- Convenient End-of-Lease feature overwrites all job data, user data and network information at trade-in time
- Remote Front Panel feature allows users and administrators to view and control machine operations from a PC workstation
- Environmentally-friendly design offers low power consumption, fast warm up, compact design and long-life parts and supplies

<sup>\*</sup>Some features require optional equipment and/or software.

## MX-2615N/3115N SPECIFICATIONS
