INSTRUCTIONS

500 Cards Instructions 1 Timer

Read the gibberish out loud to guess the hidden phrase!

OVERVIEW

Each card has a combination of words on the **front** that when recited out loud sound like the phrase written on the **back**. For example, try reciting "deem bull lay her" out loud.
Can you hear the hidden phrase?
Listen closely...you've been saying "team player."

HOW TO PLAY

FREE-FOR-ALL

- Each round lasts for 60 seconds or until 3 cards have been figured out—whichever comes first!
- 1 person is the designated JUDGE each round. The JUDGE starts the round by flipping the timer and holding up the front of the card.

- Everyone else is a TRANSLATOR. The TRANSLATORS read the front of the card aloud. Whoever decodes the phrase first wins the card.
- Having trouble? Ask for a hint! The JUDGE is allowed to reveal 1 hint (found on the back of the card) per round.
- When the card has been decoded or the TRANSLATORS have elected to pass, the JUDGE pulls the next card.
- Once the timer runs out or 3 cards have been decoded, the round is over, and the next JUDGE (rotating clockwise) starts a new round.
- The first player to decode 10 cards is the winner. If you want to play a faster or longer game, set the number of cards needed to win lower or higher, but do it before the game play starts!

FOR LARGER GROUPS

- Split into 2 teams. Follow the instructions for Free-for-All, except instead of playing to 10, each team will play 3 rounds. Whichever team has decoded more cards at the end wins.
- If both teams are tied after 3 rounds, each team nominates 1 TRANSLATOR for a sudden death tiebreaker. Whichever TRANSLATOR decodes the card first wins the game for their team!
