500 Question Cards

I Wish I Didn't Know!™ Family Edition is the trivia game that tests your knowledge about all things strange, weird, and gross.

After laughing your way through disturbing questions about odd laws, world records, bugs, and more, you'll likely be saying, "I WISH I DIDN'T KNOW!"

SETUP:

The youngest player starts as the host.

HOW TO PLAY:

The host draws a card and reads the question and multiple-choice options aloud. Then, the player to the left of the host gives their answer (or best guess). If that player gets the question correct, they win that card! If they answer incorrectly, the host announces

the correct answer, and the round is over. Nobody wins that card, and it is returned to the bottom of the deck. The player to the host's left becomes the host, and play begins again.

HOW TO WIN:

The first player to collect 5 cards WINS!

The questions in this game were created using information from publicly available sources.
