

MARKSMAN HUNTER 3-9X40

The scope that started us in the optics industry. Starting with the Rimfire models, then moving into our Hunter models, the progression proved we could provide a reliable scope at a value price. To add to the already unbeatable price, most Marksman scopes come with a free set of weaver style scope rings. You can buy one of these scopes with confidence, knowing that it is covered under our "Sting Free" warranty.

Features:

- Aircraft grade aluminum tube
- Multi-coated lens
- TCR reticle
- FREE! Choice of Weaver Style or 3/8 Dovetail Rings
- Wide selection of magnification ranges
- Transferable "Sting Free" lifetime warranty
