

VENOM MAX 3-18X50

Simply put, Venom Max scopes are the best scopes we have ever offered. Loaded with features like 6:1 power zoom ratio, HD coil erector tube spring and crystal clear edge-to-edge fully multi-coated precision ground lenses, these scopes leave nothing to chance. Rugged construction, extremely competitive pricing and industry-leading warranty set these scopes apart from our competition.

Along with our Sting Free no fault warranty, if a Venom Max scope fails for any reason we will replace it and send you a check for \$40.00 to pay for ammunition to sight in your scope.
