

| Softest         | Durability |
|-----------------|------------|
| Silver          | 8          |
| RS3             | 9          |
| Viper           | 6          |
| Standard        | 5          |
| Kevlar          | 7          |
| VRK             | 4          |
| RS2             | 3          |
| Carbon<br>Fiber | 2          |
| RS1             | 1          |
| Hardest         |            |

1= Most Durable  
9= Least Durable

- RS1-RS2: Most similar to the **OTK Seats**
- RS2: Seat of choice by Lorenzo Campese
- RS3: Equivalent to the **Tillet T-11 VG** model seat
