

# THE MESSINKI SHELF

---

## The Messinki table

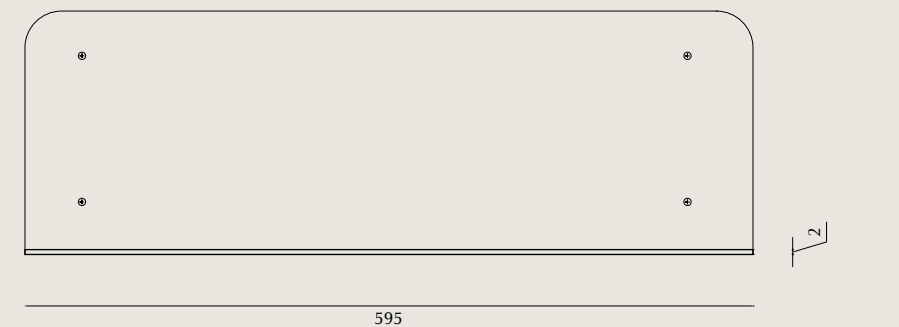

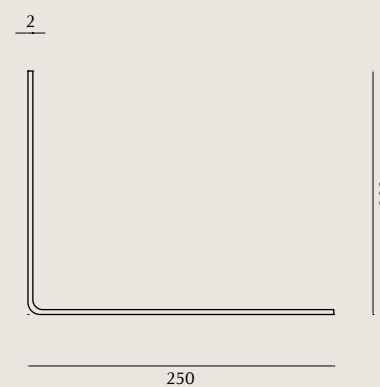

At 250mm depth, it is perfect for holding books and trinkets. The solid brass wall table has beautifully rounded edges. Brass is an age-old material with anti-microbial properties.

It ages beautifully and will stand the test of time.

\*\* Please remember that brass is a natural oxidising material and will deepen in character as it ages.

To keep shiny, wipe with a shining agent such as Brasso.  
Never scour or use abrasive cleaning agent on it.
