

DARLOW PANTS

#004

The **Darlow pants** are a cropped, tapered pant with a lot of interesting panel lines and details. They have been designed to give a new spin to the classic pant and can be worn as an easy and casual option or dressed up for a nice evening option. The pants sit on the natural waist and feature a fly front with zip closure, shaped waistband, in-seam pockets, back pockets and hem facings.

FABRIC SUGGESTIONS

The **Darlow pants** pattern is compatible with mid to heavy weight woven fabrics. Consider using: linen, linen blends, cotton drill/twill, denim or wool. For a softer, more dressy silhouette, consider using midweight silk. Keep in mind that View A has more volume in the thigh area and you may want to use mid-weight fabric (rather than heavy weight fabric) for this reason.

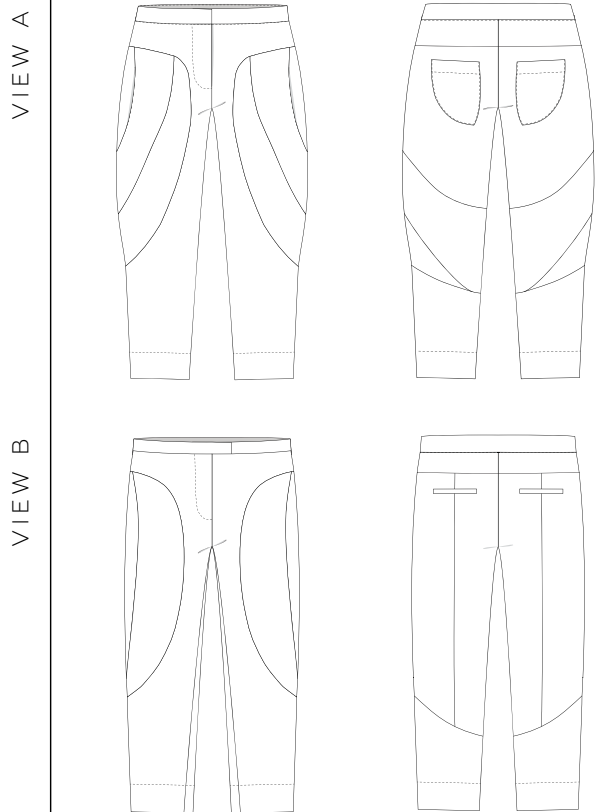

NOTIONS

- Coordinating thread
- 1 x 15cm (6in) trouser zip (use a standard dress zip if using lightweight fabric)
- 1 x 2cm (¾in) button
- 2 x medium pant hooks (no wider than 1.2cm (½in))
- 0.5m (0.5yds) x light to mid-weight fusible interfacing
- Optional: for inner waistband - 1m (1.1 yd) x 25mm (1in) single-fold bias tape*

SKILL LEVEL

This pattern is for you if you are confident using sewing patterns and know a couple of basic pattern alterations to achieve a better fit.
