## SIZING + GARMENT MEASUREMENTS

## NOTES ON FITTING

The Hove jacket is intended to have a substantial amount of design ease, to create an oversized shape, designed for layering. For this reason, it is suggested that you focus on your high bust measurement when selecting your size.

This pattern is drafted for a B cup bust. Due to the large amount of ease, it is unlikely you will need to do a full bust adjustment (or small bust adjustment). Check the finished garment measurements to ensure it will fit through the waist and hip.

The pattern is drafted for a height of $170 \mathrm{~cm}\left(5^{\prime} 7{ }^{\prime}\right.$ "). Use the LENGTHEN / SHORTEN lines on the pattern to make alterations to the length.
