

SIZING + GARMENT MEASUREMENTS

SELECTING YOUR SIZE

The **Kealy T-shirt** is available in two size brackets: sizes A - J and sizes G - P.

There is a 4 size overlap (G - J) so that you can grade between pattern sizes when required.

The size A - J pattern is drafted for a B cup bust (5cm / 2in difference between high bust and full bust measurements).

The size G - P pattern is drafted for a D cup bust (10cm / 4in difference between high bust and full bust measurements).

If your measurements are in the overlap section of our size charts (G - J), we suggest using the G - P range to achieve the best fit.

Use the LENGTHEN / SHORTEN lines on the pattern to make alterations to the length. See the following pages for the finished garment measurements for each pattern view in each size bracket.

SIZES A - J

NOTES ON FITTING

The **Kealy T-shirt** is designed to be relaxed in fit. Select a size based on your high bust measurement and then check the finished garment measurements for your size before choosing to do a Full Bust Adjustment (FBA). The garment has positive ease (it is not designed to stretch over your curves like a garment with negative ease would), so you may not need to grade between sizes. Additionally, knit fabrics will adapt to your body more than woven garments, so are more forgiving in fit.

This pattern is drafted for a B cup bust and a height of 170cm (5'7"). Use the LENGTHEN / SHORTEN lines on the pattern to make alterations to the length.
