## SIZING + GARMENT MEASUREMENTS

## SELECTINGYOUR SIZE

The Sawtell dress is available in two size brackets: sizes A - J and sizes G - P. There is a 4 size overlap ( $G-J$ ) so that you can grade between pattern sizes when required.

The size A - J pattern is drafted for a B cup bust ( $5 \mathrm{~cm} / 2$ in difference between high bust and full bust measurements).

The size G - P pattern is drafted for a D cup bust ( 10 cm / 4in difference between high bust and full bust measurements).

If your measurements are in the overlap section of our size charts (G-J), we suggest using the G-P range to achieve the best fit.

Use the LENGTHEN / SHORTEN lines on the pattern to make alterations to the length. See the following pages for the finished garment measurements for each pattern view in each size bracket.

## SIZES A - J

## NOTES ON FITTING

The Sawtell dress is designed to be loose and boxy in shape. It has subtle shaping at the top of the side seam and bust darts.

The Sawtell dress is designed to have considerable ease at the waist and hips, so keep this is mind when selecting a size. Your hip measurement might be in a larger size bracket than your waist - before grading between sizes, check the finished garment measurements to see if there will be enough ease in the hips.
This pattern is drafted for a B cup bust and a height of $170 \mathrm{~cm}\left(5^{\prime} 7\right.$ "). Use the LENGTHEN / SHORTEN lines on the pattern to make alterations to the length.

More details related to fitting the Sawtell dress can be found in the FIT KIT.
