

SIZING + GARMENT MEASUREMENTS

NOTES ON FITTING

The **Whitlow robe** is designed to be relaxed in fit. Select a size based on your high bust measurement. Due to the nature of the design and the amount of ease in the pattern, it is unlikely that you will need to make a bust adjustment if your bust measurement is in a different size bracket than your high bust. It is also unlikely that you will need to grade between pattern sizes due to the nature of the wrap.

Robes are oversized in nature. If you prefer a closer fit, you may consider sizing down.

This pattern is drafted for a B cup bust and a height of 170cm (5'7"). Use the LENGTHEN / SHORTEN lines on the pattern to make alterations to the length.

BODY MEASUREMENTS
