

ATOM® Wireless Earbud Headset

DESIGNED BY HANDSTANDS®

Cut the cord! The ATOM® is one of the smallest wireless earbuds on the market. High-quality sound and no more frustrations with tangles or knotted cords. Full-color Fireglaze™ graphic is the control button where you can power ATOM® on and off, play and pause audio, and activate voice control. A single earbud allows listening to your device while still being aware of your surroundings. An excellent safety feature.

- Talk/Listen Time - 3.5 hours; Standby Time - 40 hours; Charge Time - 1 hour
- Side switch allows volume control and seeking
- Double-flange ear tips secure earbud in ear and provide highest quality sound
