

# FastMount™

PATENT PENDING

Stick and go! The FastMount™ uses Lockhide™ technology to secure your device to your dashboard or any flat surface you choose. Sleek, low-profile grip pad attaches to the back of your device with 3M adhesive. Quickly attaches to the dash mount with one hand. 3M adhesive safely secures the FastMount™ to your dash, leaving no sticky residue.

- Allows hands-free access to phone
- Universal, fits most smartphones and dash boards
- Lockhide™ technology is more reliable than magnet mounts
