ELASTIX™ Strap

PATENT: 9,314,078

One size fits all! The ELASTIX™ Strap is a universal phone strap that is compatible with all smartphones. The open sides it gives you access to the volume, mute, and other buttons, switches and ports. While providing protection from surface scratches you are also able to store credit cards or a driver’s license underneath the strap.

- High-grade silicone material is durable and long lasting
- Tether phone to your hand for a secure grasp
- Protects your phone
