Gadget Grips® Phone Mount

DESIGNED BY HANDSTANDS®

The invisible phone mount! The Gadget Grips® Phone Mount comes with a super strong neodymium magnet that allows you to mount your phone anywhere. Attach magnet with 3M adhesive to your desired mounting location. The steel plate with Gadget Grips® technology and Fireglaze™ imprint adheres to your phone, also with 3M adhesive. When not mounted to the magnet location, the Gadget Grips® will keep your phone from slipping and sliding. When you link your phone to the magnet mount... it holds like magic!

- Magnet is safe for phones and batteries
- Compatible with all devices
- Do not use with wireless chargers
