SORIN™ 2A Solar Panel

Powered by the sun! The SORIN™ produces a high-powered solar charge with a single USB hub. A built in storage sleeve allows you to stow and carry your device safely while on the go. Corner grommets make it easy to attach SORIN™ to a backpack, duffel bag or other gear – while still charging your device!

- 12 watt panels for fast and safe charging
- Durable fabric covering protects against the elements for outdoor use
- Bi-fold design makes for easy portability and storage
- 2 amps output for a fast charge
