The purpose of this policy is to ensure that Canadian Tire Motorsport Park meets the objectives and requirements under the Accessibility for Ontarians with Disabilities Act, 2005, and the accessibility needs of persons with disabilities.

Guiding Principles
Canadian Tire Motorsport Park will use all reasonable efforts to ensure that its policies, practices and procedures are consistent with the following principles:

- that Canadian Tire Motorsport Park’s services are provided in a manner that respects the dignity and independence of persons with disabilities;
- that Canadian Tire Motorsport Park operates its business such that persons with disabilities will benefit from its services in the same or similar way as others, and where integration is not possible, alternative measures will be used to enable a person with disabilities to obtain, use or benefit from Canadian Tire Motorsport Park’s services; and
- that persons with disabilities are given an opportunity equal to that given to others to obtain, use or benefit from Canadian Tire Motorsport Park’s services.

Communication
When communicating with a person with a disability, Canadian Tire Motorsport Park and its employees should do so in a manner that takes into account the person’s disability. Canadian Tire Motorsport Park will train its employees on how to interact and communicate with people with various types of disabilities.

Canadian Tire Motorsport Park is aware that the operation of its services and facilities is important to our clientele. On occasion, disruptions in Canadian Tire Motorsport Park services and facilities may occur due to reasons that may or may not be within Canadian Tire Motorsport Park’s control or knowledge.
Canadian Tire Motorsport Park will make reasonable efforts to provide notice to the public of any disruption in its services and/or facilities, including: information about the reason for the disruption, its anticipated duration and a description of alternative services and/or facilities, if any, that may be available. Canadian Tire Motorsport Park will make reasonable efforts to provide prior notice of any planned disruptions in its services and/or facilities, if possible, recognizing that in some circumstances, including an unplanned temporary disruption, advance notice will not be possible. In such cases, Canadian Tire Motorsport Park will provide notice, including emergency and public safety information, in an accessible format, as soon as reasonably possible.

Assisted Devices and Measures that Assist with Accessibility
A person with a disability may provide his or her own assistive device for the purpose of obtaining, using and benefiting from Canadian Tire Motorsport Park’s services and facilities. Exceptions may occur in situations where Canadian Tire Motorsport Park has determined that the assistive device may pose a risk to the health and safety of a person with a disability or the health and safety of others on its premises. In these situations, and others, Canadian Tire Motorsport Park may offer a person with a disability other reasonable measures to assist him or her in obtaining, using and benefiting from Canadian Tire Motorsport Park’s services and facilities, where Canadian Tire Motorsport Park has such other measures available.

It is the responsibility of the person with the disability to ensure that his or her assistive device is operated in a safe and controlled manner at all times.

Support Persons
A person with a disability may enter Canadian Tire Motorsport Park’s own business offices and those parts of Canadian Tire Motorsport Park-managed buildings that are open to the public with a support person and have access to the support person while on the premises. Fees will not be charged for support persons or for admission to CTMP’s premises or events. We will notify customers of this through a notice on our website. Canadian Tire Motorsport Park may require a person with disability to be accompanied by a support person while on such premises in situations where it is necessary to protect the health or safety of the person with a disability or the health and safety of others on the premises.
Service Animals
A person with a disability may enter Canadian Tire Motorsport Park’s own business offices and those parts of Canadian Tire Motorsport Park-managed buildings that are open to the public accompanied by a service animal and keep the animal with them. If a service animal is excluded by law, Canadian Tire Motorsport Park will ensure that alternate means are available to enable the person with a disability to obtain, use or benefit from Canadian Tire Motorsport Park’s services and facilities.

If it is not readily apparent that an animal is a service animal, Canadian Tire Motorsport Park may ask the person with a disability for confirmation that the person requires the animal for reasons relating to his or her disability.

It is the responsibility of the person with disability to ensure that his or her service animal is kept under control at all times. If an employee or any other person on Canadian Tire Motorsport Park premises has a severe allergy to animals, which could result in health and safety concerns, Canadian Tire Motorsport Park will make reasonable efforts in the circumstances to meet the needs of all individuals.
