Corinth® Under Counter Hot Water Dispenser

COR1W
Under Counter Hot Water Dispenser - Sky White
(shown with brew kettle – not included)

▌Corinth® Features

Contemporary Design – Unique shape and size adds visual interest to any countertop.
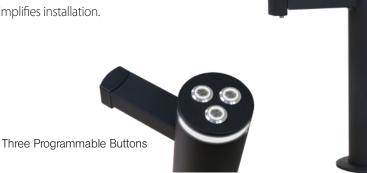

Choice of Colors – Avalable in Sky White or Lustrous Black.

Three Programmable Buttons – Factory pre-set to two portion control, one manual dispense. User programmable from manual flow to 32 oz. dispensing.

Remote, Under Counter Heating System – Featuring Curtis G3 digital controls to accurately maintain set temperature from 170° to 208°F. (Factory pre-set at 208°F).

Innovative Internal Pre-Heat Exchanger Coil – Ensures accurate temperature hot water the moment it's dispensed... eliminates lag time.
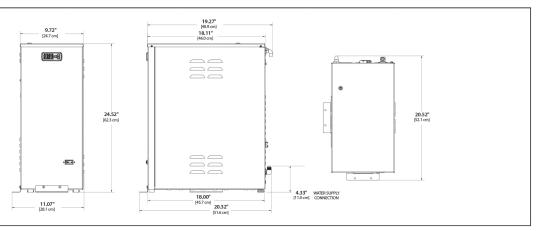

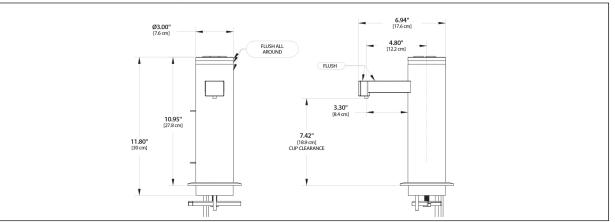

Dual Voltage – Simplifies installation.
