

# linea mini

ready to brew anywhere  
for years to come.

Available Configurations: **EE**

Available Number of Groups: **1**

The Linea Mini, re-imagined by La Marzocco to inspire both the seasoned barista and the curious explorer, turns every espresso moment into an experience. With updated aesthetics—including the Della Pietra Curve, soft touch accessories—and advanced workflow features like Brew-by-Weight, a new pre-infusion system, and easy pump pressure adjustment—the new Linea Mini blends tradition with innovation. Created to be a tool for those who dream of crafting the perfect espresso, and a companion for adventures at home and beyond. The Linea Mini looks as beautiful as it performs, ready to serve anywhere for years to come.
