Wine analysis	Alcohol	13.5%
	Total acidity	4.8 g/l
	pH	3.65
	Residual sugar	less than 1 g/l

Comment In 2019 we sourced Pinot Noir from 5 different Southern Valley vineyards plus from our own plantings surrounding the winery. The best selection from each vineyard was individually vinified, providing the blending components for this year's Cuvée.

The wine shows a dark-red Pinot colour with a beautiful vibrant shine. Its complex, fragrant and seductively poised nose reveals an airy freshness, red berries, some spice and violet notes. In short, this is “elegance pure”.

The palate is simply delicious, full of energy and underlying tension with a velvety texture and fine tannin support. There is excellent mid-palate density to the generously proportioned flavours that are both precise and refined. A stylish expression of a potentially very big vintage while preserving the wine's finer details.
