	Total acidity	5.9 g/l
	pH	3.30
	Residual sugar	less than 1 g/l

Comment

The Rosé 2021 contains a higher portion of Malbec and Syrah compared to previous vintages, giving the wine an attractive pale red shade. The nose has a bright floral fragrance with subtle fresh strawberry notes, watermelon and a hint of pink rose petal. As always, our Rosé is bone-dry and firm but there is a gentle, spicy complexity, that does not preclude elegance and finesse, and leads to a firm, zesty freshness in the finish. A serious, yet light-hearted Rosé that will complement almost any summer lunch.
