	Total acidity	4.8 g/l
	pH	3.57
	Residual sugar	Less than 1g/l

Comment

Named after our winemaker Hätsch Kalberer, this wine reflects his 25 years of knowledge and understanding of several great Marlborough terroirs. A thoughtful composite of our five individual single vineyard wines, Cuvée "H" expresses a winery signature. It is the best Pinot we feel we can make and represents what we appreciate most in fine Pinot Noir. We do not strive to be the biggest and loudest on the block, but instead look for a complete and refined wine. Cuvée "H" is very much built with longevity in mind, however this does not preclude early drinking appeal.

Tasting Note

This wine has a beguiling prettiness with underpinning depth and complexity. It opens with a bright kirsch character before revealing darker blue fruits. There is silky spice and a hint of charcuterie savouriness built atop of lifting minerality. The palate shows good fruit weight, ripe flavours and an effortless structure. The wine's tannins are well layered and are complimented by balanced acidity and subtle well integrated oak, all driving the wine through to a long, mouth-watering finish.

Short description

Dark plums and blueberries with aromatic spice and brambly savouriness. The palate is concentrated, layered and textural with fine tannins and a long and generous finish (February 2018)
