Our FROMM Pinot Noir Cuvée “H” is a thoughtful blend of our individual single vineyard Pinots. Incorporating the qualities of each of these wines into a premium blend (Cuvée) gives us a Pinot that is balanced yet complex; powerful yet elegant. It is certainly a style that we enjoy drinking.

Our 2017 shows lovely depth of fruit, opening with dark red, blue berries and an underlay of ripe cherries. The aromas then reveal a granite-like minerality, inviting florals, lifting sage herbs and a lick of sweet vanilla spice. The palate is generous with good fruit weight, velvety layered tannins and enhancing, enticing acidity. We built this wine to last but are delighted with its charm and approachability now. Every component complements the other in seamless harmony - rather like a well-rehearsed orchestra. A lovely mix of complexity and finesse adds to the wine's fineness. (January 2019)
