Total acidity 4.9 g/l  
pH 3.61  
Residual sugar less than 1 g/l

### Comment

Our FROMM Pinot Noir Fromm Vineyard reflects over a quarter of a century of farming our patch of land just west of Renwick. It's grown, not 'made', and represents a style of Pinot that we love ...elegant and subtle with complexity and structure.

This 2017 has an alluring nose, opening with charming bright fruit, sweet spice and inviting florals – all wrapped in lifting minerality. The palate shows effortless structure, supported by ripe red fruit and fine persistent tannins that flow across the mouth. The acidity is balance and conducive to a long elegant finish. (December 2018)
