### Tasting Note

The newest addition to the FROMM family, our 2017 Pinot Naturel is vibrant, energetic and uncomplicated. It can be drunk young and slightly cooler and offers a delightful and energetic alternative to our established Pinot Noir range.

Organically grown and made, this Pinot has had no adjustments and no additives (except for the tiniest touch of sulphur at bottling). Opening with bright, juicy red fruit (cherries, raspberries) and inviting florals (violets) this 2017 then unravels to reveal a seasoning of lifted spice. The palate is fresh and vibrant with pristine fruit and a silken mouth feel. Structured enough to match up to a vast array of cooking styles (try a salmon salad with fresh Thai herbs), but irresistible as a refreshing tippie over the summer months. One glass won't be enough and it's sure to put a smile on your dial.

### Short description
